4. IRPC Requests (Info. Only) Auggi Erpelding

 - i. Submitted by: Alyssa Beach
 - ii. Subcommittee: Al Gonzales (Facilities resource), Brendan Regan, Peter Oliszcak, and Glenda Chagolla
 - iii. Report on Walkthrough: Safety/OSHA issues arise in PAC areas without a working lift. It needs a maintenance plan to ensure the new lift is in good condition. The operator needs to be certified.
 - iv. [Scoring sheet](#)– Score: 1-2-1. The purchase of a new lift will address the hazardous situation of theater techs using stairs due to the currently inoperable lift.
 - v. [Voting](#)- All eight voting members present during the meeting voted “yes” to recommend the proposal to move forward.
5. Other
 - a. COVID Protocol Genesis Toole
 - i. Student perspective - how to support students as numbers are on the rise again? DO Risk Management has guidelines for employees but all previous policies for COVID have been sunset. There is nothing in place for students - it is dependent on the faculty member to determine if/how they handle absences due to COVID.

b. Holiday Protocol

Genesis Toole

- i. Can we find a strategy on how to handle an emergency when the campus is closed?
Tiffany clarified that the Chancellor asked for colleges to have information posted and a go to person in case of an emergency.

c. Performance Success

John Heckenlaible

- i. Managers' sessions were not well attended. Still have quite a few managers that need to enroll. Staff sessions will begin this semester.

d. Shared Governance Council

Lore Konopka

- i. Asking ACT to identify two members to address a newly formed task force on inequities in compensation - Carly Zufelt & Bobbi Johnstone will serve as the ACT representatives.
- ii. Soliciting feedback from ACT regarding the Early College Re-org proposal - Lore will follow up with an email and more information.
