All parties pledge their commitment to supporting and maintaining the highest professional standards through adherence to this agreement. This Agreement reflects the changes required by the March 22, 2022, Resolution of the Governing Board Regarding the Dissolution of the Faculty Administration Collaboration Team (FACT), effective from July 1, 2023, until a new version is adopted by the Board. All 2023-2024 dollar figures are provisional, subject to Governing Board budget approval.

RFACT approves variances, which can happen outside of the annual RFACT process time frame, and variances can be approved for longer than the one-year period limit of MOUs.

## **W**

## **Works Made for Hire Doctrine**

Normally, under copyright law, those who create a copyrightable work, own that work. That is, unless the creator is an employee who creates a work as part of their work responsibilities, in which case the work typically belongs to the employer under the Works Made for Hire Doctrine. MCCCCD recognizes an academic exception to the Works Made for Hire Doctrine. Additional information is found in Article 4.

## **Written Decisions**

See Article 20 for definition.

# **ARTICLE 2 FACULTY ROLE IN SHARED GOVERNANCE**

Since 1966, higher education associations representing faculty, administration, and governing boards have endorsed shared governance as a staple of American higher education (American Association of University Professors, American Council on Education, and the Association of Governing Boards, 1966).

“Shared governance is one of the basic tenets of higher education, . . . and effective shared governance creates a healthy campus environment that can more easily act on needed change and emerging opportunity.” (Association of Governing Boards, Shared Governance: Changing with the Times, 2017).

“Governance of a quality institution of higher education will include a significant role for faculty, in particular with regard to currency and sufficiency of the curriculum, expectations for student performance, qualifications of the instructional staff, and adequacy of resources for instructional support.” (Higher Learning Commission).

At MCCCCD, Shared Governance, while recognizing the non-delegable statutory duties of the Governing Board, nonetheless:

- reflects collaboration among faculty, staff, administrators, students, and the governing board;
- recognizes and values the expertise and responsibilities of faculty, staff, administrators, and the governing board;
- provides a venue and gives voice to common concerns, as well as to issues unique to specific groups;
- depends on open communication and transparency in planning and implementation;
- invites all constituencies to participate as true partners in problem solving; and
- supports the shared vision of a community of colleges – colleges for the community – working collectively and responsibly to meet the life-long learning needs of diverse students and communities.

## **2.1 Non-Delegable Board Duties**

It is recognized that state and federal law vest the Board with certain powers and duties that may not be delegated, limited or abrogated by agreement with any party. If any clause or provision in this document should be found to be unenforceable or invalid, it shall not have an effect on any other clause in this Policy Document. The RFACT process (regarding resolving disagreements) shall be used to arrive at a mutually satisfactory replacement for such provision.

## **2.2 Participation in Educational Policy Making**

Faculty are charged with determining the processes for implementing Shared Governance within the faculty ranks. Residential Faculty have primary responsibility for such fundamental areas as curriculum, subject matter and methods of instruction, research, Faculty status, and those aspects of integrated student support which relate to the educational process. OYO, OSO, and Adjunct Faculty are encouraged to participate where the opportunity arises.

Effective means of communication between faculty members and the administration shall exist for the promotion of professional practices. Policy and administrative regulations affecting Residential Faculty shall be discussed, before implementation, with Residential Faculty at the appropriate level. Adjunct Faculty will be consulted on policy and administrative regulations as appropriate. Policy recommending committees that plan, propose, or recommend any action that will influence decisions regarding the educational program of the District, shall be a part of the administrative structure at each college and a part of the District administrative structure. Such policy recommending committees shall include representatives of Residential Faculty.

## **2.3 Governing Board Meetings**

The Faculty Association President shall be accorded sufficient time at all regular Governing Board meetings to present Faculty views.

All Faculty, including the Faculty Association President, shall be furnished notice of all regular and special meetings of the Governing Board, stating date, time, and location. In addition, agendas, minutes, budgetary information, and study materials will be furnished to the Faculty Association President at the same time and in the same form as those furnished the Governing Board.

## **2.4 Budget Formulation Participation**

The Faculty Association shall receive reasonable notice of District budget-formulation meetings. Representatives of the Faculty Association shall participate in the District budget development process through their membership in the Advisory Budget Council (ABC). Preliminary college budgets will be developed with the participation of the respective Faculty Senate Presidents or designee prior to their college's budget submission to ABC. The Faculty Senate President or designee may submit to the College President recommendations on budget appropriations for programs and priorities before the college budget is finalized. Any subsequent changes will be brought to the attention of the Faculty Senate Presidents before submission to ABC.

The Faculty Association President and the Faculty Senate Presidents shall have access, through their Faculty representatives on ABC, to all budget development materials made available to ABC members. The Faculty Association President shall be provided, upon request, any available supporting materials related directly to issues brought before ABC.

## 2.5 Faculty Work Assignments

MCCCD assigns work to All Faculty for the direct benefit of the District and its students. All faculty members serving in the governance roles designated herein shall be compensated for the time spent preparing for, and participating in, college and district educational policy making (per 2.2) and other activities beneficial to achieving the District’s vision, mission, and values.

Representative activities include but are not limited to:

- board meeting attendance (per 2.3.);
- budget formulation (per 2.4.);
- recruitment and selection committees (per. 5.6.);
- providing a supportive network for new and existing faculty members that promotes greater satisfaction and retention of All Faculty;
- providing an additional channel of communication among and between All Faculty, the Governing Board, the Chancellor, and the Chancellor’s Executive Council;
- identifying interests and concerns of All Faculty that may otherwise go unrecognized, providing recommendations or strategies to address these interests or concerns, and participating in the Residential Faculty Agreement development process and other processes as needed; and
- collaborating with other employee groups, and other MCCCD groups and committees, to develop a climate that allows all students, All Faculty, and employees to succeed.

Work assignments will not be used to influence the outcomes of elections or otherwise violate applicable law.

### 2.5.1 Governance Roles Workload Hours

Workload hours will be as follows:

<b>District Governance</b>	<b>Reassigned Time Per Year</b>
Faculty Association President*	30 Load Hours
Faculty Association President Elect	15 Load Hours
Faculty Association Past President	15 Load Hours
Residential Faculty RFACT Members	12 Load Hours

District Governance	Reassigned Time Per Year
*The Faculty Association President may also receive Load Hours in an amount to be determined annually by the Provost based on the volume of work to be accomplished over the summer	

College Governance	Reassigned Time Per Year
Senate President	
<b>Number of Residential Faculty at College</b>	
0 - 199	12 Load Hours
200 - 249	15 Load Hours

### 2.5.2 Residential Faculty Professional Growth Committee

The Residential Faculty Professional Growth Committee shall consist of two (2) subcommittees. The two subcommittees are Faculty Professional Growth/Sabbaticals and Travel. Each subcommittee Chair shall be selected by the Faculty Association Council of Presidents from among the members of the Residential Faculty Professional Growth Committee. Each Chair shall receive 3.0 load hours per year. At the end of each Academic year, each Chair will issue a written report outlining accomplishments, problems, and recommendations to the FPG Policy Review Committee and the Provost.

Each of the Residential Faculty Professional Growth Committee college representatives shall be awarded reassigned time according to the following scale:

Number of Residential Faculty at College	Reassigned Time Per Year
20 - 125	3 Load Hours

<b>Number of Residential Faculty at College</b>	<b>Reassigned Time Per Year</b>
Over 270	9 Load Hours

Additional load reassignment may be granted by the Chief Human Resources Officer to Residential Faculty and the Faculty Association upon payment of all replacement costs to be computed at the Level 1 Non-Core Overload rate given in Article 10.2.2.

# **ARTICLE 3 ACADEMIC FREEDOM**

## **3.1 Academic Freedom**

All Faculty are entitled to instructional freedom in discussing their subject with students, and they should exercise their best effort to ensure topics are relevant to their subject. Residential Faculty, in consultation with OYO, OSO, and Adjunct Faculty, will determine curriculum and relevant subject matter for courses, recommend the appropriate pedagogy, textbooks, and other materials relevant to teaching their subject.

All Faculty shall maintain the right and responsibility to determine grades and other evaluations of student performance.

In a multisection course taught by several faculty members, responsibility is often shared among the instructors for identifying common course elements. Such elements may include (but are not limited to) textbooks, syllabus statements, assessments, and LMS modules. When properly applied, this shared academic freedom supersedes the academic freedom rights of individual faculty members. Such decisions should be made following a meaningful and inclusive process that invites involvement from all interested faculty members (full-time and adjunct) teaching the course at the time the decision is made. The process should be documented in the Department/Division Charter and include a periodic review of decisions made.

Outside of class, when Full-Time and Adjunct Faculty express themselves as citizens or as public employees, they shall be free from institutional censorship or discipline. When acting as citizens, Full-Time and Adjunct Faculty will exercise their best efforts to indicate that they are not speaking for the institution and to conduct themselves as scholars and representatives of higher education. When acting as public employees, Full-Time and Adjunct Faculty will be allowed to speak freely on all matters of institutional governance, as is necessary to support a robust system of shared governance.

All Faculty are entitled to freedom in research and in the publication of the results consistent with the provisions of Article 4 Intellectual Property Rights.

### **3.1.1. Committee on Academic Freedom**

The Committee on Academic Freedom (CAF) is charged with providing academic freedom education and training, serving as a source of expertise for collegial dispute resolution, and for promoting a culture conducive to academic freedom and freedom of expression.

# **ARTICLE 4 INTELLECTUAL PROPERTY**

MCCCD recognizes the academic exception of the Works Made for Hire Doctrine for All Faculty whose work, disseminated in print or electronically, is created independently at the Full-Time and Adjunct Faculty member's own initiative with the ordinary use of resources such as a library, office space and equipment, and computer and network facilities.

## **4.1 Works Commissioned or Sponsored by MCCCD**

A work developed by Full-Time or Adjunct Faculty members, disseminated in print or electronically, that has been commissioned or sponsored by MCCCD requires a signed written contract prior to the development of the work. MCCCD commissioned or sponsored works are defined as works with specified outcomes, that include the provision of compensation, such as additional financial payment or reassigned time for the Full-Time or Adjunct Faculty member developing the work, and may include the use of substantial MCCCD resources.

The contract for commissioned or sponsored works will include the following provisions:

- MCCCD can perform, communicate, or otherwise enjoy full use of commissioned or sponsored work for internal instructional, educational and administrative purposes without payment of royalty, license fee, or similar considerations.
- The Full-Time or Adjunct Faculty member who has developed the commissioned or sponsored work and seeks financial gain must obtain prior written approval from MCCCD for the use, sale, or licensing of it.
- Other provisions may be negotiated by the Full-Time or Adjunct Faculty member and MCCCD and added to the contract. These may include the ability to edit and control the presentation of the work, the ability to change and update materials over time, the ability to create derivative or related works, and the sharing of costs and revenues associated with the commercialization of such work.

## **4.2 Use of Royalty-Bearing Works Produced by Faculty**

A Full-Time or Adjunct Faculty member shall not, in connection with any class, suggest or require that a student purchase instructional materials which the Full-Time or Adjunct Faculty member has produced, and from the purchase of which the Full-Time or Adjunct Faculty member or the Full-Time or Adjunct Faculty member's designee is entitled to royalty or similar consideration, unless the materials have been:

- produced by a "recognized independent publisher," defined as a commercial entity in the business of publishing books, periodicals, and similar instructional materials, and which performs editorial, printing, distribution, marketing, and other functions typically associated with commercial publishing at the publisher's expense; and

- previously approved for students' purchase by the Vice President of Academic Affairs at the college where the Full-Time or Adjunct Faculty member teaches the class.

### **4.3 Prohibition Against Full-Time or Adjunct Faculty Compensation for Unpublished Works**

A Full-Time or Adjunct Faculty member shall not have any financial interest in or receive compensation from the sale of any unpublished instructional materials required or suggested for a class that the Full-Time or Adjunct Faculty member teaches.

# **ARTICLE 5 PROFESSIONALISM AND** **ENGAGEMENT**

## **5.1 Professional Code of Ethics for All Faculty**

Professors, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognize the special responsibilities placed upon them. Their primary responsibility to their subject is to seek and to state the truth. To this end, professors devote their energies to continuously developing and improving their scholarly competence. They accept the obligation to exercise critical self-discipline and judgment in using, extending, and transmitting knowledge. They practice intellectual honesty. Although professors may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom of inquiry.

As teachers, professors encourage and protect the free pursuit of learning in their students. They hold before them the best scholarly and ethical standards of their discipline. Professors demonstrate respect for students as individuals and adhere to their proper roles as intellectual guides and counselors. Professors foster honest academic conduct and ensure that their evaluations of students reflect each student's true merit. They respect the confidential nature of the relationship between professor and student. They avoid any exploitation, harassment, or discriminatory treatment of students. They acknowledge significant academic or scholarly assistance from them. They protect their academic freedom.

As colleagues, professors have obligations that derive from common membership in the community of scholars. Professors do not discriminate against or harass colleagues. They respect and defend the free inquiry of associates, even when it leads to findings, practices, and conclusions that differ from their own. Professors acknowledge academic debt and strive to be objective in their professional judgment and supervision of colleagues. Professors accept their share of faculty responsibilities for the governance of their institution and for maintaining the highest professional standards through a meaningful culture of peer review.

As members of an academic institution, professors seek above all to be effective teachers and scholars. Although professors observe the stated regulations of the institution, provided the regulations do not contravene academic freedom, they maintain their right to criticize respectfully and seek revision. Professors give priority to their paramount responsibilities within their institution when determining the amount and character of work done outside it. When considering the interruption or termination of their service, professors recognize the effect of their decision upon the program of the institution and give due notice of their intentions.

As members of their community, professors maintain the rights and obligations of other citizens. Professors measure the urgency of these obligations in the light of their responsibilities to their subject, to their students, to their profession, and to their institution. When they speak or act as

private persons, they avoid creating the impression of speaking or acting for their College. As citizens engaged in a profession that depends upon freedom for its health and integrity, professors have a particular obligation to promote conditions of free inquiry and to further public understanding of academic freedom.

Working in collaboration with staff and Administration, Residential, OYO, OSO, and Adjunct Faculty are the primary connection between students and the knowledge, skills, and habits of mind necessary for them to become informed, employable, and successful citizens.

## **5.2 In-Residence**

Inherent in the role of Full-Time Faculty are the following: engagement with students; service on college and district committees; participation in shared governance; support and engagement of Faculty colleagues; awareness and understanding of the college culture; and availability to respond to and participate in essential college issues. In order to meet the professional obligations and expectations of Full-Time Faculty, a consistent, equitable, and reasonable availability of time spent at the college each week is necessary. Therefore, Full-Time Faculty must be physically present at their assigned locations, outside class instruction or primary non-instruction service responsibilities, two or more days per week. While all Full-Time Faculty must meet the In-Residence requirement, some faculty roles, such as Service Faculty, may perform duties that require them to be present more often at specific locations each week to meet student and college needs.

Course modality should be based upon best practices of teaching and learning and the needs of students. The In-Residence requirement applies to all Full-Time Faculty regardless of the modality of the courses that constitute their load. Full-Time Faculty schedules must reflect their instruction or primary service responsibilities per Articles 5.3 and 5.4.

Exceptions to the In-Residence requirement for Full-Time Faculty are limited and can be addressed locally by the VPAA or designee in consultation with the Faculty Chair and Human Resources.

## **5.3 Full-Time Faculty Accountability/Professional Responsibilities**

As full-time exempt employees, Full-Time Faculty support MCCC'D's central mission of teaching and learning. It is inherent in the professional role of Full-Time Faculty that additional hours, outside of teaching, are necessary for the enrichment of the Colleges, District, and external communities.

Full-Time Faculty members consistently meet the accountability standard of a minimum of thirty (30) clock hours of professional responsibilities per week in their core functional area, including but not limited to the following representative ways:

- meeting all classes as scheduled, including comprehensive course preparation and

assessment and/or providing professional services to students and/or faculty members;

- holding at least one (1) scheduled student support hour for every three (3) Load hours taught (up to five (5) support hours each week), reflective of the Full-Time Faculty member's teaching schedule and posting the time and location so that they are easily accessible to students;
- being In-Residence as defined in Article 5.2;
- participating in Department/Division, College, and/or District activities, including conducting course assessment and/or program development and review and other assignments made pursuant to this section; and
- participating in a combination of the areas that meet the requirements of the Faculty Evaluation Plan (FEP) or the Peer Assistance and Review (PAR).

Full-Time Faculty may be required to participate in non-teaching events associated with professional responsibilities by the Chancellor or designee. Reasonable notification of such assignment will be through the Office of the College President. Such activities include participation in faculty curricular and educational development meeting(s), in-service training program(s), ceremonial exercises such as convocation and commencement, academic advisement, and such other activities as may reasonably be required for the full and proper discharge of the Full-Time Faculty member's responsibilities.

Full-Time Faculty shall meet their hours of accountability/professional responsibilities within the parameters of the day program as defined in Article 1 unless initially hired under different circumstances or amended by mutual consent to meet program or student need.

Full-Time Faculty who maintain a work schedule outside normal hours of accountability will collaborate with their Faculty Chair to create appropriate scheduling accommodations, including accommodations to ensure Full-Time Faculty members are not routinely required to be physically present more than five (5) days in any seven (7) day work week. If an alternate work schedule is created, the appropriate administrator will be notified.

All Faculty assume reasonable responsibility for MCCCDCollege facilities and equipment under their supervision and control.

## **5.4 Faculty Assignments**

It is customary for Full-Time Instructional Faculty to teach 15 load hours of classes per semester as a part of their thirty (30) weekly hours of professional responsibilities.

Full-Time Service Faculty fulfill thirty (30) hours of professional responsibilities per week. Hours of accountability for Full-Time Service Faculty who teach classes will be reduced at the rate of two (2) hours per week for each teaching load per semester.

Reassigned time is provided when Full-Time Faculty accept faculty-appropriate, substantial, complex, and non-core functional work assignments to advance the mission of the College at the request of the Administration. The College President may reduce the core responsibilities of the Full-Time Faculty to provide needed time to achieve the assigned task. For each one (1) Load or Load-Equivalent hour reduction, the Full-Time Faculty member shall be accountable for two (2) clock hours of work per week. Such work shall be part of the hours of accountability/professional responsibilities. Because Full-Time Faculty Core Load is thirty (30) clock hours per week (15 load or Load-Equivalent per semester), work assignments beyond 30 clock hours per week (15 load or Load-Equivalent per semester) are paid as a stipend.

Other paid activities beyond the core responsibilities will not be considered part of the hours of accountability/professional responsibilities and will require additional time beyond the accountability hours described in Article 5.3.

## **5.5 Teaching and Nonteaching Assignments for Faculty During the Academic Year**

The Faculty Chair and Full-Time Faculty members, in consultation with the appropriate Administrator, will determine teaching/service assignments with the final approval of the College President. Full-Time Faculty members will be permitted to teach/serve in the evening/weekend program to make their load.

Within accountability/professional responsibilities, all Full-Time Faculty members are required to share equitably responsibilities of teaching/service and non-teaching/non-service assignments.

The assignment of Full-Time Faculty to classes is based upon student need while recognizing instructor preferences and expertise. Full-Time Faculty have a right to 15.0 load hours per semester and are assigned this load on a priority basis.

If desired by the Full-Time Faculty member, overload work within the core functional area for Full-Time Faculty will be assigned after thirty (30) clock hours per week (15 load hours per semester) have been assigned to each Full-Time Faculty member. If desired by the Full-Time Faculty and approved by the Faculty Chair, or designee, Full-Time Faculty may be assigned overload up to twenty (20) clock hours (10 load hours per semester) in their core functional area, except for Faculty Chairs.

Adjunct Faculty may be assigned up to nine (9) Load or Load-Equivalent hours per semester. If desired by the Adjunct Faculty and approved by the Vice President of Academic Affairs, or designee, Adjunct Faculty may be assigned up to twelve (12) Load or Load-Equivalent hours per semester depending upon course availability, understanding there may be Arizona State Retirement System contribution implications.

Faculty Chairs, or designees, seek to minimize instructor changes once assignments are made. The Faculty Chair shall inform the Vice President of Academic Affairs, or designee, of any Full-Time

or Adjunct Faculty members who are removed from a class within two weeks of the class start date for reasons other than class cancellation.

Any disputes between the Faculty Chair, or designee, and Full-Time Faculty members regarding class or service assignments, will be resolved by invoking the use of the Resolution of Controversy Procedure: Level 1 and Level 2. Consistent with Level 2, the Vice President's decision is final. Any disputes between the Faculty Chair, or designee, and Adjunct Faculty regarding class or service assignments will follow the process in the Adjunct Faculty Handbook.

The College President, or designee, shall develop a list of approved extracurricular assignments, with the advice and recommendation of the Faculty Senate President.

## **5.6 Notification of Faculty and Exempt Non-Faculty Posted Vacancies**

The Faculty Association President shall receive printed or electronic notice of Residential Faculty and exempt non-Faculty (formerly MAT) personnel posted vacancies. Residential Faculty shall be advised, via electronic mail of Residential Faculty transfer opportunities by District Human Resources.

## **5.7 Recruitment and Selection of All Faculty**

All new Residential, OYO, OSO, and Adjunct Faculty must meet MCCCDC minimum requirements and any additional standards as recommended by the relevant Instructional Council, approved by the Chancellor, or designee, and on file with the District Human Resources.

At the direction of appropriate college personnel and with the concurrence and assistance of Human Resources, individual Colleges will establish screening/selection processes to fill Residential Faculty vacancies. Their processes will include the active participation of the appropriate members of the Faculty and/or other appropriate directors of employment. Under no circumstances will anyone be directly appointed to the position of Residential Faculty nor will anyone be hired as a Residential Faculty without a competitive process. For Residential Faculty positions, college screening/interview committees will forward a written, unranked list of at least two (2), preferably three (3) to five (5), candidates to the College President for their consideration. At the written request of the College President, the College screening/interviewing committee will forward a written, ranked list. (In the event the screening/interviewing committee finds there are not at least two (2) qualified candidates to forward to the College President, the committee may ask the College President to consider reopening or extending the search process.)

Residential Faculty who participate on screening/interviewing committees will undergo training offered through the District Human Resources Division prior to commencing a screening/interviewing process. Training updates will be provided by the District Human Resources Division as needed.

See Article 15 for information about the faculty transfer process.

## **5.8 Faculty Screening of Administrative Personnel**

Residential Faculty participation on screening and interviewing committees shall be utilized in the selection of new College and District administrative personnel. The College Faculty Senate President will recommend Residential Faculty to serve on screening and interviewing committees for College administrative personnel. The District Faculty Executive Council will recommend Residential Faculty to serve on screening and interviewing committees for District administrative personnel.

## **5.9 Exempt Non-Faculty Employees Assigned to Residential Faculty**

Exempt non-faculty employees who have not previously held appointive status and are being assigned to Residential Faculty, must be certified in the discipline to which they are assigned, must meet hiring requirements that are currently in effect, and must serve the full probationary period. If the person began their employment as a Residential Faculty member prior to assignment as an exempt employee, they would meet the current hiring requirements if the assignment to Residential Faculty is in the same Residential Faculty position that the exempt employee previously held. The employee shall interview with the Faculty Chair in the discipline. The Chair will forward a recommendation to the Vice President of Academic Affairs. The assignment must be approved by the College President, who will consult with the appropriate Vice President and Faculty Chair, and the Faculty Senate President. The Faculty Chair will informally consult members of that Department/Division. Such exempt non-faculty employees shall be given credit toward the probationary period for any prior years with the District as a Residential Faculty member.

## **5.10 Personal Rights**

MCCCD recognizes that the personal lives of All Faculty members is not an appropriate concern of the MCCCD, provided it does not affect the faculty members' effectiveness in fulfilling professional obligation(s).

## **5.11 Membership in and Representation by Professional Organizations**

All Faculty members have complete freedom in selecting the professional organizations they may join or refrain from joining.

## **5.12 Contract Year**

The academic year for Full-Time Faculty shall consist of 196 consecutive days between mid-August and mid-May, of which 170 shall be days of accountability and shall be Monday through Friday. The contract year commences on July 1st and continues through June 30th.

Exceptions to the above may be made, by mutual agreement between the faculty member and the College President, so long as the Full-Time Faculty member's work load is equivalent to that required in other sections of this policy manual. Such exceptions must also be approved by the Chief Human Resources Officer, or designee.

### **5.12.1 Prorated Extended Residential Faculty Contracts**

Contract criteria include:

- Mutually agreeable prorated Residential Faculty contracts of a duration greater than 196 days may be approved by the College President after consultation with the Faculty Chair of the involved discipline/service area.
- The maximum length of a prorated extended contract is ten (10) weeks. To ensure consistency and equity in the proration of extended contracts, the provisions of Article 10.4.3 shall apply.
- Residential Faculty are to meet thirty (30) hours of professional responsibilities per week during prorated extended contract periods.
- The College President may prohibit a Residential Faculty member on an extended contract from accepting additional MCCCDC contracts during the extended contract period.

### **5.12.2 Paid Holidays and Recesses**

Full-Time Faculty shall receive holiday pay for all holidays within the contract year including Labor Day, Veterans Day, Thanksgiving Break, Winter Break, Martin Luther King Jr. Day, Presidents' Day, and Spring Break. Full-Time Faculty do not receive compensation for clock hours beyond their core load during holidays. Exceptions to this policy may occur if the Faculty Chair of the affected discipline/service area and the College President determine that a Full-Time Faculty member must work an identified paid holiday. In that exceptional case, compensatory hour(s)/day(s) equal to the time worked shall be granted.

### **5.12.3 Semester Preparation**

The regular contract year shall include a minimum of one (1) day each semester that will be used by the individual Full-Time Faculty member in preparation for the opening of each semester.

# **ARTICLE 6 TOOLS FOR INNOVATION AND ADAPTABILITY**

Just as consistency and stability are important virtues for large institutions, so too are the ability to innovate and adapt to better serve students or the institution. The Residential Faculty Agreement provides the necessary consistency and stability and can also stimulate opportunities for adaptation and innovation. The following tools support innovation while still adhering to the language of the Residential Faculty Agreement.

## **6.1 Memoranda of Understanding (MOUs)**

As new opportunities and challenges arise, it may become necessary to revise an article in the Residential Faculty Agreement or to consider a matter not contemplated by the Residential Faculty Agreement in a more expedited time frame than can be addressed by the standard RFACT procedures. Under such circumstances, the Provost (by the direction of the Chancellor) and the Faculty Association President may sign an MOU to alter any section of the Residential Faculty Agreement for a time not longer than one academic year pending Governing Board approval, at which time it may be considered for incorporation into the Residential Faculty Agreement in the upcoming academic year through the standard RFACT procedures. For an MOU to be considered, the Provost must notify the RFACT of the issue under consideration and demonstrate that the issue cannot be addressed using the standard RFACT procedures.

If the issue addressed by an MOU is determined to only apply at the local level for one or more Colleges but not the entire District, the MOU must be signed by the local College President(s) and Faculty Senate President(s) in addition to the Provost and the Faculty Association President.

All MOUs approved by the Governing Board will be included as addenda to the Residential Faculty Agreement for as long as they are current. If an MOU is rejected by the Chancellor or the Governing Board, detailed and substantive feedback will be provided concerning the rejection.

### **6.1.1 Enhanced Variances to the Residential Faculty Agreement**

In general, MOUs are applied in situations where a rapid solution to external conditions is needed. MOUs can also be used to foster intentional innovative change through the Enhanced Variance process. If any provision(s) of the Residential Faculty Agreement prove to be an impediment to a local institutional innovation, the innovators may apply for a variance to the Residential Faculty Agreement, allowing them to operate under alternative guidelines for a pilot or proof of concept.

The RFACT will develop and maintain an application for a variance to the existing Residential Faculty Agreement that will require a College to provide specific information,

including: (A) the length of time requested for the variance to be piloted (not to exceed four consecutive semesters not counting summer); (B) the impact the variance will have on the working conditions of Full-Time and Adjunct Faculty; (C) the alternative rules that will be applicable (if any); (D) the impact the variance will have on interactions with students; and (E) a justification for the request including goal and assessment metrics. The requested variance cannot negatively impact Full-Time or Adjunct Faculty base salaries as established in the Residential Faculty Agreement. To ensure complete constituent involvement, and for the variance application to be considered complete, it must be signed by the College's Faculty Senate President and the College President.

Completed variance applications will be forwarded to the RFACT for review at the next regularly scheduled meeting. The RFACT may reject a variance application for the following reasons: (A) the information provided is not thorough enough to demonstrate the variance meets the basic application criteria – specifically that the variance is actionable and measurable and will not have a detrimental impact on students and faculty; (B) the request exceeds the length of time limit; (C) the signature of the College Faculty Senate President, or College President is missing; (D) the variance requested is in violation of federal, state, or local laws; accreditation requirements, or District Administrative Regulations; or (E) the RFACT plans to propose new Residential Faculty Agreement language by the end of the semester in which the variance application is submitted that will substantially impact the variance request. If not approved, the RFACT will return the variance application to the College President with an explanation for non-approval so that the College has the ability to modify the variance application and resubmit the request. When approved by the RFACT, the proposed variance will be forwarded to the Chancellor or designee to complete the MOU process outlined above. This process shall include approval by the Faculty Association President. If supported, the proposed variance will be included for approval on the next Governing Board meeting agenda. If approved by the Governing Board, the variance, including all information provided in the variance application, will be documented in the current Residential Faculty Agreement under Appendix A: *Currently Approved Variances to the Residential Faculty Agreement* as well as in the appropriate College Plan.

Each College with an approved variance will submit a variance evaluation form within 60 days of the end of the first semester and at the end of the approved variance time period; the College may also voluntarily complete a variance evaluation form at any time during the approved variance time period. Based upon the variance evaluation form(s), a College can decide to discontinue a variance and return to following the Residential Faculty Agreement after consultation with the College's Faculty Senate President and then sending written notification to the RFACT signed by the College President. The RFACT will notify the Chancellor of the change and will remove the variance from the Residential Faculty Agreement. Similarly, if a College fails to submit the variance evaluation form, it will be

assumed the College no longer desires to operate under the variance and the RFACT will notify the Chancellor and the College of the change and will remove the variance from the Residential Faculty Agreement.

If a College would like to continue a variance past the approved time period, the College may resubmit a variance application and must attach the associated variance evaluation form(s). If approved again, the time period for a continued variance will be extended up to eight (8) consecutive primary semesters (not counting summer) unless incorporated into the Residential Faculty Agreement. A College can also request a variance be approved for up to five years if the variance is directly associated with a state or federal grant for which the variance is critical. The RFACT will review all variance evaluation forms and will identify variances that could prove to be valuable at scale across the District and consider incorporating these variances into future changes to the Residential Faculty Agreement using the standard RFACT procedures.

Any alternative rules approved by RFACT that are put in place during the variance will be considered part of the Residential Faculty Agreement for the purpose of faculty members operating under the variance, including filing grievances and utilizing other conflict management provisions of the Residential Faculty Agreement.

## **6.2 College Plan**

The College Plan is a document developed by each College's Residential Faculty, in consultation with its OYO, OSO, and Adjunct Faculty and Administration, and approved by the College President. It describes the selection, evaluation, duties, and responsibilities of the Faculty Chair as well as the duties and responsibilities of other faculty supervisory roles. The College Plan may also contain other provisions as agreed upon and provides opportunity for the College to pilot other innovative solutions to local challenges. When in conflict, the Residential Faculty Agreement, including approved variances and MOUs, supersedes the College Plan.

## **6.3 Department/Division Charters**

The Department/Division Faculty shall create a charter which describes operational processes including, but not limited to, the process of identification and selection of Departmental/Divisional leadership roles, process for elements of shared academic freedom (textbooks, common assignments, common assessments, required Canvas elements, etc.), course assignments, meeting schedule, Adjunct Faculty rights and support, and expectations of faculty within the Department/Division. Consultation with the Dean and/or VPAA is highly encouraged. Department/Division Charters are made publicly available online by the Faculty Senate and are included in an Appendix to the College Plan.

Every Charter will include the process for assignment of Adjunct Faculty members. After having been assigned for an initial term, an Adjunct Faculty member who is subsequently notified of non-

assignment may request of their Faculty Chair or faculty supervisor the reasons that contributed to the decision. Upon the Adjunct Faculty member's written request, the reasons will be confirmed in writing by the Faculty Chair or faculty supervisor.

# **ARTICLE 7 LEADERSHIP**

## **7.1 Faculty Leadership**

Residential Faculty undertake supervisory roles to promote student success and advance the missions of the Colleges. Formal supervisory roles related to the operation of Departments and Divisions are detailed in this section and include Faculty Chair and other supervisory roles. In exceptional circumstances, the Faculty Chair may select an OYO, OSO, or Adjunct Faculty member to undertake non-Chair leadership roles within a Department/Division with the consent of the Residential Faculty of the Department/Division and the VPAA.

Individuals serving in supervisory roles shall be available to faculty, staff, and students. The specific on-site days and hours for faculty supervisors will be determined in consultation with the Faculty Chair, faculty supervisor, and the appropriate Dean or Vice President. Hours will be scheduled and posted. All individuals serving in supervisory roles shall be available via email, videoconferencing, and/or phone during hours determined in consultation with the Faculty Chair, faculty supervisor, and the appropriate Dean or Vice President.

## **7.2 Faculty Chair**

The position of Faculty Chair is the primary supervisory position within the Department/Division held by a Residential Faculty member. There are two classifications of Faculty Chair based on required work hours. A Faculty Chair-40 works 40 hours per week during the academic year performing Faculty Chair duties and working in their core functional area (instruction, library, counseling, educational support). The ten additional hours of work are compensated with a Chair stipend.

In unique circumstances, for instance where a Department/Division requires multiple Program Directors and other supervisory roles, the Residential Faculty in a Department/Division may opt, in consultation with the VPAA, to elect a Faculty Chair-34 instead of the standard Faculty Chair-40. The Faculty Chair-34 works 34 hours per week during the academic year performing Faculty Chair duties and working in their core functional area (instruction, library, counseling, educational support). A Faculty Chair-34 earns a reduced Chair stipend, with the remaining Chair stipend money reallocated to other faculty supervisors in the Department/Division.

### **7.2.1 Eligibility**

For first consideration, any eligible candidate who is an Appointive Residential Faculty member in the Department/Division and in good standing may be selected for the position of Faculty Chair. If there are no Appointive Residential Faculty in the Department/Division who meet this eligibility requirement who are interested in serving in the Faculty Chair role, a second consideration will deem eligible any Appointive Residential Faculty member

in good standing at the College and any Probationary Residential Faculty member in year two (2) or later in the Department/Division and in good standing with the College.

### **7.2.2 Election Process**

The Residential Faculty of each Department/Division shall elect a Faculty Chair from among eligible candidates in a manner prescribed by the College Plan starting with the first consideration of eligible candidates. If there are no eligible candidates for first consideration, the Residential Faculty of the Department/Division will elect a Faculty Chair from among the second consideration of eligible candidates. If the election includes second consideration candidates, the elected candidate must receive at least 51% of the votes of the total number of Residential Faculty in the Department/Division.

### **7.2.3 Training**

The role of Faculty Chair is among the most important in any academic institution. To be successful in this role, significant support by the College is necessary. One method of support will be a comprehensive professional development program known as the Faculty Leadership Academy. The Faculty Leadership Academy will be designed through ongoing contributions of Faculty Chairs, feedback from those they lead, and input from other co-workers. The goal of this Academy is effective and principled decision-making in every situation by every Faculty Chair. Partners in the development and delivery of the Faculty Leadership Academy will include Residential Faculty, Administration, and MCLI. The Faculty Leadership Academy will include, but not be limited to, developing mastery in shared governance and academic leadership in complex organizations; adapting to a constantly evolving landscape in higher education; navigating administrative regulations and requirements; designing daily Department/Division operations; and solving employee relation challenges.

Ideally, the Faculty Leadership Academy training will be completed prior to serving in a Faculty Chair role. Should the College Vice President and the Faculty Senate President agree that would be infeasible, the Faculty Leadership Academy will be completed within the first semester of service by the new Faculty Chair. Faculty Leadership Academy participants will receive a one-time stipend or FPG advancement upon completion of the program.

### **7.2.4 Duties**

Faculty Chairs are responsible for the supervision and management of a Department/Division within the College. Each Faculty Chair shall perform the following duties, in addition to any duties and responsibilities articulated in the College Plan unless such duties are reassigned to other supervisory faculty as outlined in Article 7.3. The Faculty Chair may be assisted in the performance of Faculty Chair supervisory duties

(specified in Article 7.2.4.1) by one or more Assistant Faculty Chairs, selected by a process specified in the College Plan. The Department/Division Charter shall specify which of the duties listed in Article 7.2.4.1 shall be performed by the Faculty Chair in exchange for their Chair stipend and required Chair reassigned time. The Department/Division Charter shall also specify how the Faculty Chair and/or Assistant Faculty Chair(s) shall perform any remaining duties in Article 7.2.4.1, as well as the dispensation of the remaining reassigned time. Additionally, the duties listed in Article 7.2.4.2 may be performed by any Department/Division faculty member in exchange for compensation as specified in the Department/Division Charter and in compliance with Article 7.4.4.

#### **7.2.4.1 Supervisory Duties Performed by the Faculty Chair or Assistant Chair**

The Faculty Chair and/or Assistant Faculty Chairs will perform the following duties:

- Plan, manage, and oversee the Department/Division budget
- Facilitate Department/Division meetings
- Represent the Department/Division on college leadership councils
- Ensure all other Department/Division Supervisory Duties are performed
- Review and provide final approval for the selection and evaluation of Adjunct Faculty in accordance with current Human Resources procedures
- Review and provide Department/Division level approval for Department/Division reports (e.g., annual reports, staffing requests, program reviews)
- Determine Department/Division class schedules subject to final approval by the VPAA or designee
- Identify, select, and evaluate other supervisory and non-supervisory roles in accordance with procedures set forth in the College Plan
- Communicate and ensure adherence to College and District objectives, policies, and procedures applicable to Department/Division faculty and staff

#### **7.2.4.2 Other Department/Division Supervisory Duties**

All Faculty within the Department/Division may perform the following duties in exchange for remuneration as designated within the Department/Division Charter:

- Address, manage, and work to resolve conflicts
- Manage and work to resolve formally registered student concerns
- Manage program-specific budgets

- Plan, manage, and oversee the Department/Division class schedule
- Recruit, review, and recommend approval for the selection of Adjunct Faculty in accordance with current Human Resources procedures
- Supervise and support Full-Time and Adjunct Faculty
- Chair Residential Faculty position search committees
- Evaluate Probationary Residential Faculty in accordance with the Residential Faculty Agreement
- Evaluate Adjunct Faculty
- Supervise, support, and evaluate staff and temporary employees, according to the Staff Policy Manual
- Perform supervisory duties including evening and summer supervision
- Oversee occupation program (e.g., supervise faculty and staff, administer Advisory Council meetings)
- Coordinate completion of required program reports (e.g., program reviews)

### **7.3 Other Department/Division Supervisory Roles**

Faculty Chairs and Assistant Faculty Chairs may be assisted in the supervision work by other Full-Time Faculty who perform other Department/Division supervisory duties. Supervisory roles include but are not limited to:

- Occupational Program Director
- Academic Program Director
- Service Program Director
- Evening Supervisor
- Lab Technician Supervisor
- Lead Faculty
- Course Coordinator
- Adjunct Faculty Evaluator
- Clinical Coordinator

If the selection process for supervisory roles is not articulated in the College Plan, then the Department/Division Charter will outline the selection process.

### **7.4 Remuneration**

The faculty supervision budget at each college is determined by the following formula where L is the annual Load/Load-Equivalents at the College inclusive of summer.

$$B = (\$65 * L) + \$279,000$$

In light of budgetary factors, accreditation requirements, and program differences, Colleges may vary from the budget formula by up to \$147,000 and still be within the authorized range. In instances where the college is unable to address supervision needs within the authorized range, a variance should be submitted to RFACT for review.

Faculty Chairs are compensated with a stipend and reassigned time during the academic year and with a stipend during the summer. Full-Time Faculty performing supervision responsibilities during the academic year are compensated with a stipend and/or reassigned time. Full-Time Faculty performing supervision responsibilities during the summer are compensated with a stipend. Funding allocations are based on annual Instructional Load and annual Non-Instructional Load-Equivalents.

### **7.4.1 Supervision Allocation Based on Instructional Load and Load-Equivalents**

Residential Instructional Faculty workload is quantified by instructional Load and Residential Service Faculty workload is quantified by instructional Load and non-instructional Load-Equivalents. The amount of Load-Equivalents representing the work of Library Faculty supervision for the academic year is equal to 5% of the College Fall Full-Time Student Equivalent (FFTE) (inclusive of dual enrollment). Similarly, the amount of Load-Equivalents representing the work of Counseling Faculty supervision for the academic year is equal to 5% of the College Fall Full-Time Student Equivalent (FFTE) (inclusive of dual enrollment). Summer Load is the instructional load generated between the end of Spring Semester and the start of Fall Semester. Summer Load-Equivalents are defined to be 50% of the academic year Load-Equivalents.

### **7.4.2 Faculty Chair Stipends**

Faculty Chair stipends are based on the 2023-2024 midpoint hourly rate of a Grade 124 Classified Staff position (which was \$60.64 for 2022-2023).

#### **7.4.2.1 Academic Year**

The Faculty Chair-40 shall receive a stipend for the academic year representing 360 clock hours of work over the academic year. The Faculty Chair-40 Academic Year stipend is 360 times the 2023-2024 hourly rate. (Using 2022-2023 rates, the stipend amount is \$21,831.)

The Faculty Chair-34 shall receive a stipend for the academic year representing 144 clock hours of work over the academic year. The Faculty Chair-34 Academic Year stipend is 144 times the 2023-2024 hourly rate. (Using 2022-2023 rates, the stipend amount is \$8,732).

Departments/Divisions led by a Faculty Chair-34 shall receive an additional 13 load hours of reassigned time to be distributed among the Department/Division supervisory roles.

**7.4.2.2 Summer**

The Faculty Chair stipend for the summer (for both Faculty Chair-40 and Faculty Chair-34) represents 60 clock hours of work over the summer. The stipend amount is 60 times the 2023-2024 hourly rate and is drawn from the supervisory budget. (Using 2022-2023 rates, the stipend amount is \$3,638.) Faculty Chair summer stipends and associated duties may be delegated to other Department/Division Residential Faculty.

**7.4.3 Faculty Chair and Assistant Faculty Chair Academic Year Reassigned Time**

Departments/Divisions are allocated reassigned time in addition to the Faculty Chair stipend for the performance of Department/Division Supervision duties. The Faculty Chair is required to take at least six (6) load hours of reassigned time (6 clock hours per week for the academic year) but may receive up to thirty (30) load hours of reassigned time (30 clock hours per week for the academic year) depending on the amount of Load/Load-Equivalents in the Department/Division. Additional reassigned hours above the six (6) load hours required of the Faculty Chair may be shared in accordance with Article 7.2.4.

Departments/Divisions are awarded additional reassigned time based on the annual Load and Load-Equivalents shown in the table below. The Faculty Chair may identify one or more Assistant Faculty Chairs in the Department/Division to assist with the Department/Division duties in return for the reassigned time.

All Faculty Chair and Assistant Faculty Chair required additional reassigned time must be taken as reassigned time and cannot be converted to a stipend.

## **7.4.4 Compensation for Other Department/Division Supervisory Duties**

Full-Time Faculty can simultaneously serve as a Faculty Chair/Assistant Faculty Chair and also perform other supervisory duties. Faculty Chair duties must be compensated with the Chair stipend and reassigned time. Assistant Faculty Chair duties must be compensated with reassigned time. Faculty members performing all other supervisory duties can be compensated with stipend and/or reassigned time based on the expected amount of work for the duty (as specified in the Department/Division Charter). If the work is compensated with a stipend, the stipend will be based on the 2023-2024 midpoint hourly rate of a Grade 121 Classified Staff position (which was \$49.50 for 2022-2023).

Stipends may be exchanged for reassigned time at the current Level 1 Non-Core Overload Rate (\$1012 for 2022-2023) per Load/Load-Equivalent hour of reassigned time.

## **7.4.5 Program Variability**

Depending on the need for flexibility and the amount of funds available, a College may set aside up to \$160,000 of its supervision budget for program variability. Program variability funding is to address supervision needs not directly related to Load and Load-Equivalents. If the work is compensated with a stipend, the stipend will be based on the 2023-2024 midpoint hourly rate of a Grade 121 Classified Staff position (which was \$49.50 for 2022 - 2023). If the work during the academic year is compensated with reassigned time, each 32 hours worked will equate to one (1) Load or Load-Equivalent. Decisions related to the distribution of program variability funds will follow the process outlined in the College Plan. In addition to program variability, Colleges may provide supplemental reassigned time funded outside of the Supervision Budget to address accreditation requirements.

## **7.4.6 Distribution of Funds to Departments/Divisions**

After program variability (Article 7.4.5) funds are set aside, budgeted funds are distributed to Departments/Divisions as follows:

1. The College shall set aside the total amount needed to fund an allocation to each Department/Division for the Faculty Chair academic year and summer stipends and six (6) load hours of reassigned time. This includes the additional 13 load hours of reassigned time for a Department/Division with a Faculty Chair-34 to be distributed among the Department/Division supervisory roles.
2. The College shall also set aside the total amount needed for each Department/Division in order to fund the Additional Annual Faculty Chair or Assistant Faculty Chair Reassigned Time Load Hours required by 7.4.3.
3. The remaining balance of funds is distributed proportionally to the

Departments/Divisions based on annual Load/Load-Equivalents.

### **7.4.7 Distribution of Funds within a Department/Division**

1. The Faculty Chair receives the six (6) required Load or Load-Equivalent hours of reassigned time and any academic year and summer stipends described in Article 7.4.2.
2. The Faculty Chair, in consultation with the Residential Faculty of the Department/Division and the Vice President of Academic Affairs or designee, determines how to allocate:
  1. the additional mandatory reassigned time
  2. any allocation from program variability to be used as appropriate at the college level
  3. the remaining funds for other supervision stipends and/or reassigned time
  4. any supplementary funding to support outside accreditation requirements

## **7.5 Faculty Chair Workload and Earnings Limit**

A Faculty Chair-40 and Faculty Chair-34 may earn supplemental income through overload work in the core functional area and stipends subject to the following constraints. Faculty Chairs are Residential Faculty and, as such, are held to the standards of quality described in Article 8.1.5.

### **7.5.1 Academic Year Overload Work in the Core Functional Area**

Faculty Chair-40 may accept overload work in their core functional area of up to six (6) Load or Load-Equivalent hours per semester. Faculty Chair-34 may accept overload work in their core functional area of up to ten (10) Load or Load-Equivalent hours per semester. Overload work is in addition to the Chair's base requirement of 40 (for a Chair-40) or 34 (for a Chair-34) hours of work per week in Faculty Chair duties and other work in the core functional area.

Exceptions to the overload limits above may be approved by the College President, in consultation with the Provost and Chief Human Resources Officer, or their designees.

### **7.5.2 Summer Overload Work in the Core Functional Area**

Faculty Chairs will abide by the Residential Faculty rules for Summer Overload Work, specified in Article 8.1.5.2.

### **7.5.3 Academic Year Earnings Limit**

Faculty Chair-40 and Faculty Chair-34 earnings from stipends and overload work during the academic year may not exceed 40% of the highest base pay rate listed on the 2023-2024 Residential Faculty Salary Schedule (see Article 10.5) rounded to the nearest dollar. For 2022 - 2023, 40% of the highest base pay rate (\$109,458) was \$43,783. Academic year earnings limitations shall include any and all compensation earned from the Maricopa Community Colleges during the academic year.

### **7.5.4 Summer Earnings Limit**

Faculty Chairs will abide by the Residential Faculty rules for Summer earnings limits, specified in Article 8.1.5.4. Faculty Chair earnings from stipends and overload work during the summer may not exceed 23% of the highest base pay rate listed on the 2023-2024 Residential Faculty Salary Schedule (Article 10.5) rounded to the nearest dollar. For 2022 - 2023, 23% of the highest base pay rate (\$109,458) was \$25,175. Summer earnings limitations shall include any and all compensation earned from the Maricopa Community Colleges during the Summer.

## **7.6 Administrative Support for Departments/Divisions**

The number of full-time equivalent administrative support professionals for a Department/Division is based on the academic year Load and Load-Equivalents.

<b>Academic Year Load and Load-Equivalents</b>	<b>Administrative Support Positions</b>
120-480	1.0
481-1,020	1.0 - 1.5
1,021 and above	2.0

The figures listed in the table may be supplemented by the College President. Modifications of administrative support may be made by the College administration in consultation with the Department/Division involved.

## **7.7 Faculty Chair Term Limits**

The length of the term of Faculty Chair and the number of consecutive terms a Faculty Chair is permitted to serve in a Department/Division shall be specified in the College Plan.

## **7.8 Department/Division Faculty Supervisor Evaluation**

Each Faculty Chair shall be evaluated annually by the appropriate Vice President, or designee, Residential Faculty members, Adjunct Faculty members, and staff in the Department/Division in a manner prescribed by the College Plan. The evaluation shall include a review of the current year as well as plans for the following year. The annual evaluations of the Faculty Chair will be completed no less than thirty (30) days prior to the Faculty Chair elections.

Other faculty members performing compensated supervisory duties within the Department/Division will be evaluated as prescribed in the College Plan.

## **7.9 Removal of a Faculty Chair**

Should circumstances warrant, a Faculty Chair may be removed through the following two methods: administrative removal and faculty recall vote.

### **7.9.1 Administrative Removal**

If a situation arises where there appears to be a need for the removal of a Faculty Chair based upon a failure to fulfill the required duties, the Administrative Evaluation process will be followed as outlined in Article 20.6. Examples where the Administrative Evaluation process may be used by the Vice President of Academic Affairs (VPAA) to remove a Faculty Chair include, but are not limited to, the following reasons:

- Failing to effectively fulfill the duties listed in Article 7.2.4,
- Committing a violation of Administrative Regulations and/or Board Policies, or
- Failing to honor the Faculty Professional Code of Ethics (Article 5.1)

Once the Administrative Evaluation process has been completed, if it is determined that the Faculty Chair will be removed from the assignment, the Residential Faculty within the Department/Division will recommend an eligible Acting Faculty Chair to the VPAA.

### **7.9.2 Recall of a Faculty Chair by Residential Faculty Vote**

A Faculty Chair may also be recalled from the assignment by a recall vote of the Residential Faculty within the Department/Division. A request for a recall vote for a specific Faculty Chair may be held up to twice in a semester. The recall process will proceed as follows:

1. **Initiation.** Any Residential Faculty member in a Department/Division may confidentially request in writing to the Vice President of Academic Affairs (VPAA) that a recall vote be held.
2. **Timeline.** Within seven (7) accountability days, the VPAA will notify all Residential Faculty in the Department/Division, simultaneously with the Faculty Chair, of the request for a recall vote. The vote will be held within fourteen (14)

accountability days of the notification in consultation with the Faculty Senate and following the voting process outlined in the College Plan.

3. Results. At least sixty percent (60%) of Residential Faculty who are eligible to vote, or a simple majority where there are four or fewer Residential Faculty in the Department/Division, must vote in favor of the recall for the Faculty Chair to be removed.

### **7.9.3 Selection of Acting Faculty Chair**

The Residential Faculty within the Department/Division will recommend an Acting Faculty Chair to the VPAA and the VPAA shall appoint an Acting Faculty Chair who will serve up until a selection process for a new Faculty Chair can be completed. The selection process for a new Faculty Chair will commence no later than the first week of accountability after the removal of the Faculty Chair. If a Residential Faculty is removed from the Faculty Chair assignment, the individual will be ineligible for consideration in the election process for a new Faculty Chair for at least one full Faculty Chair term. The length of this ineligibility will be based upon the nature of the circumstances justifying the removal. The VPAA will be responsible for determining and communicating the length of the ineligibility period.

# **ARTICLE 8 FACULTY ROLE**

All Faculty are central to the success of the students they serve. As primary stewards of the learning environment, All Faculty have responsibility for student learning experiences. Teaching excellence has a direct impact on student success.

All Faculty are committed to serving the College and wider community. Examples include, but are not limited to: ensuring the academic quality and rigor of the curriculum; collaborating in shared governance; participation on hiring committees; working with relevant stakeholders in the development of instructional materials; selecting and acquiring library and other research-focused resources; and mentoring and advising students.

## **8.1 Full-Time Faculty Instructional Load During Academic Year**

A full-time load for a Full-Time Instructional Faculty member will be thirty (30) Load or Load-Equivalent hours per academic year. Satisfying Full-Time Faculty minimum core functional duties takes priority over teaching or service assignments for Adjunct Faculty. Instructional load will normally be split between two (2) consecutive semesters. Exceptions to this norm will be permitted by mutual agreement between the Full-Time Faculty member and the appropriate Vice President. Lecture and lab hours are to be on a one-to-one basis. P.E. activity classes will be given one (1) instructional load for each instructional period.

### **8.1.1 Large Classes**

Load for large classes is determined as shown in the table.

<b>Type</b>	<b>Students Enrolled</b>	<b>Load</b>
Regular Lecture Class	Up to 59	Regular Load
	60 - 89	1.5 X Regular Load
	90 & Over	2 X Regular Load
Math Classes	Up to 52	Regular Load
	53 - 75	1.5 X Regular Load
	76 & Over	2 X Regular Load
English Composition Classes	Up to 44	Regular Load

Type	Students Enrolled	Load
	45 - 59	1.5 X Regular Load
	60 & Over	2 X Regular Load

### **8.1.2 Lecture Classes with Varied Class Durations**

Regular lecture classes that involve separate class sections of different duration shall be calculated on a FFTE-generation basis. For example, if the class is a 15-week, 3-credit class that also contains students registered for 10 weeks/2 credits, the 2-credit students shall count as 0.67 student each. A 5-week/1-credit student shall count as 0.33 student. (This provision does not apply to non-lecture-type classes nor to classes in which concurrent sections are offered for the entire semester or where class size is not above the Regular Load.)

### **8.1.3 Field-Trip Courses**

#### **8.1.3.1 During faculty member dates of accountability.**

Load equals 0.2 load hours\* for each day of field trip conducted during a paid school holiday or employee paid vacation period. Pay will be at the Level 1 Non-Core Overload Rate listed in Article 10.2.2

\*Maximum of one (1) load for any field trip.

#### **8.1.3.2 Outside Faculty member dates of accountability.**

Load equals one (1) load for the first five (5) days and 0.17 load per day of field trip in excess of five (5) days, paid at the Level 1 Non-Core Overload Rate listed in 10.2.2.

### **8.1.4 Overload, Underload, and Experimental Loading**

When a Full-Time Faculty member agrees to an overload, their compensation will be based on Load or Load-Equivalent hours in excess of fifteen (15) per semester or thirty (30) per academic year as specified in Article 10.2.2.

If the total Load or Load-Equivalent hours for a Full-Time Faculty member falls below thirty (30) for the academic year, their contract amount will be adjusted to reflect this deficiency.

Experimental loading may be utilized in occupational programs, interdisciplinary programs, or other specialized programs, if approved by the Provost in consultation with

the Chief Human Resources Officer, or designee. Members involved in experimental programs retain full rights under the Residential Faculty Agreement.

### **8.1.5 Full-Time Faculty Workload and Earnings Limits**

It is the intent of this policy to assure maximum instructional and service capabilities and to assist Faculty in their professional endeavors while maintaining reasonable workload limits for employees. Therefore, earnings limitations shall include any and all compensation earned from the Maricopa Community Colleges. Full-Time Faculty may earn supplemental income through stipends and overload work in their core functional area subject to the constraints outlined below.

This provision does not apply to Residential Faculty working on a prorated contract (Article 5.12.1.) and is subject to approval by the appropriate administrator. For Faculty Chairs, overload assignments beyond the regular base contract are described in Article 7.5.

Professional judgment by the Full-Time Faculty, Faculty Chair, and VPAA or designee should be exercised to ensure that the total weekly workload hours is appropriate to provide instructional and service excellence to students and if it is reasonable to complete the requested work in the time indicated.

Exceptions to the overload limits below may be approved by the College President, in consultation with the Provost and Chief Human Resources Officer, or their designees.

#### **8.1.5.1 Academic Year Overload Work in the Core Functional Area**

Full-Time Service Faculty may work up to fifty (50) clock hours per week for overload pay in their core functional area during Winter Intersession, which are the weeks between the end of Fall accountability and the beginning of Spring accountability.

Full-Time Service Faculty may work up to fifty (50) clock hours per week for overload pay in their core functional area during Spring Break.

### **8.1.5.2 Summer Overload Work in the Core Functional Area**

Full-Time Faculty may teach up to twenty (20) load hours during the summer for instructional overload pay. Full-Time Service Faculty may work up to fifty (50) clock hours per week for summer overload pay in their core functional area. Full-Time Service Faculty who teach overload may be compensated for a maximum of fifty (50) clock hours per week in teaching and core functional area work with each instructional load hour taught during the summer equating to two (2) clock hours of work per week.

### **8.1.5.3 Academic Year Earnings Limit**

Full-Time Faculty earnings from stipends and overload work during the academic year, which includes Winter Intersession and Spring Break, may not exceed 30% of the highest base pay rate listed on the 2023-2024 Residential Faculty Salary Schedule (see Article 10.5) rounded to the nearest dollar. For 2022 - 2023, 30% of the highest base pay rate (\$109,458) was \$32,838. # **ARTICLE 10 COMPENSATION**

Maricopa County Community College District realizes that its most valuable resource is its people. We acknowledge that pay, benefits, and professional development serve as motivating drivers in attracting and preserving a highly talented and accomplished workforce. Therefore, the District's compensation system is built upon affirmation of performance in its framework. Through a comprehensive compensation approach, MCCCDC is able to balance the needs and aspirations of the workforce with the strategic and fiscal goals of its organizational community.

## **10.2 Salary Progression**

Faculty contribute to student success through excellence in instruction, ongoing professional development, and organizational service/engagement.

### **10.2.1 Residential Faculty Salary Progression**

In order for employees to excel, they must be rewarded and recognized through a compensation system that is consistent and sustainable. This is a fundamental cost of doing business. The compensation system must be predictable and informed by faculty performance. This commitment to our employees will be defined by District Finance and Human Resources recommendations and included in the annual budgeting process.

### **10.2.2 Residential Faculty Overload Pay**

For 2023-2024, the Level 1 Non-Core Overload Rate is \$1054 per load hour. The Level 2 Probationary Faculty Overload Rate is 5% more than the Level 1 Non-Core Overload Rate. The Level 3 Appointive Faculty Overload Rate is 10% more than the Level 1 Non-Core Overload Rate. The hourly rates are 1/32 of the load hour rates out to six decimal places.

<b>Faculty Status</b>	<b>Rate per Load Hour (for instruction)</b>	<b>Rate per Clock Hour (for Service Faculty work in core functional area)</b>	<b>Rate per Clock Hour (for work outside of core functional area)</b>
Level 1 Non-Core Overload	\$1,054.00	\$32.937500	\$32.937500
Level 2 Probationary Overload	\$1,106.70	\$34.584375	\$32.937500
Level 3 Appointive Overload	\$1,159.40	\$36.231250	\$32.937500

Any Adjunct Service Faculty member under this rate who goes for 180 consecutive days without working any adjunct service hours must be terminated and re-hired at the current rate of adjunct pay. This pay rate exception will expire on June 30, 2024, and adjunct faculty pay rates will be addressed in the Adjunct Faculty Handbook.

Adjunct Faculty and OYO/OSO faculty advance through the pay tiers by following the process outlined in Article 19. The default overload rate for OYO/OSO faculty is Level 1. Residential Faculty progress through the pay levels by following the process for attaining appointive status as outlined in Article 17.

Residential Faculty that separate and return as Adjunct Faculty will be paid at the highest overload Level for which they qualified as Residential Faculty.

## **10.3 Compensation and Hiring Practices**

### **10.3.1 Faculty Hiring Qualifications**

For academic disciplines, a graduate degree is required. A faculty may qualify with any of the following:

- Master’s degree or higher in the teaching field OR
- Master’s degree or higher in any field with 18 graduate credit hours in the teaching

field

For occupational disciplines, a combination of education and/or experience is required to qualify. A faculty may qualify with any of the following:

- Five years of occupational experience in the field to be taught OR
- Three years of occupational experience in the field to be taught and a Bachelor's degree or higher OR
- A Master's degree or higher in the teaching field OR
- A Master's degree or higher in any field with 18 graduate credits in the teaching field OR
- A Master's degree or higher in any field with a combination of 24 upper division and/or graduate credits in the teaching field

### **10.3.2 Full-time Faculty Initial Salary Placement**

Full-Time Faculty salaries are composed of two components: Experience Pay and Professional Growth Pay.

#### **10.3.2.1 Initial Experience Pay**

For new Full-Time Faculty hires, Experience Pay is based on the number of years of full-time equivalent teaching/work experience relevant to the teaching field.

Full-Time Faculty receive salary placement credit for teaching/work experience beyond the number of years required to meet minimum qualifications. The number of years of full-time teaching experience, K-12 teaching experience, and occupational experience will be counted. An accumulation of adjunct teaching experience will be counted with thirty (30) load hours being equivalent to one year of full-time teaching experience. An accumulation of two thousand (2000) hours of relevant documented full or part-time employment equals one (1) year of occupational experience. All fractional parts will be added together, and then the resulting total amount of experience will be rounded to the nearest year. It is the responsibility of the candidate/employee to provide adequate verification of work experience to the District Division of Human Resources. The maximum initial placement step is Step 10.

Between FY22 and FY26, a new salary system will be phased in for Full-Time Faculty. The table shows the initial placement step and Experience Pay based on years of experience beyond the minimum required for the position. The shown salary amounts are in line with the Multiyear Strategic Compensation Plan; however, these amounts may be adjusted during implementation.

### **10.3.2.2 Additional Years of Experience**

The Chief Human Resources Officer, or designee, in consultation with the Provost, or designee, may credit a faculty member with additional years of experience. Consideration for extra years of experience will be given in those cases where the applicant selected by the College President is unwilling to accept the position strictly on the basis of the salary that was offered. When consideration is given for crediting additional years of experience, the Provost, or designee, shall convene an ad hoc committee consisting of the following persons or their designees: the Faculty Association President, the Faculty Senate President at the affected College, and the College President at the affected College. The Provost, or designee, will chair the committee and will be entitled to a vote. Additional years of experience will be credited only if there is unanimity among the committee members.

### **10.3.2.3 Initial Professional Growth Pay**

Faculty in academic or occupational disciplines who qualify based on a graduate degree receive initial salary placement credit for all graduate credits beyond 36 credits, regardless of discipline. Faculty in occupational disciplines who qualify based on criteria other than a graduate degree receive salary placement credit for all graduate credits. Faculty without a doctorate degree receive salary placement credit for up to 85 graduate credits beyond the baseline number of graduate credits required for the position. Faculty with doctorate degrees receive initial professional growth pay placement credit for 90 graduate credits beyond the baseline number of graduate credits required for the position. Only those academic credits and/or degrees earned at accredited institutions eligible for inclusion in the Education Directory, Colleges and Universities, U.S. Department of Education will be counted.

For FY24, initial Professional Growth pay placement will be determined in accordance with the following formulas. For Full-Time Faculty without doctorates in academic or occupational disciplines who qualify based on a graduate degree

$$P = 164.57(g - 36)$$

and for Full-Time Faculty in occupational disciplines who qualify based on criteria other than a graduate degree

$$P = 164.57g$$

where  $g$  is the number of earned graduate credits. For Full-Time Faculty with doctorates, initial Professional Growth pay placement is equivalent to ninety (90) times the credit value. During the transition to the new salary system, the credit value will increase as shown: FY24 (\$164.57), FY25 (\$165.99), and FY26 (\$167.60). These rates are subject to change during implementation.

### **10.3.3 Salary Placement Review Board**

The purpose of the review process is to solely determine and resolve any errors that were made in the initial placement of a Full-Time Faculty member.

A Residential Faculty member may within the first twelve (12) months of employment as a Residential Faculty member, appeal their vertical and/or horizontal placement to the Faculty Association President; after this time period, no requests will be considered. If the appeal occurs within the first twelve (12) months of their employment, the Faculty Association President will convene a review committee to review the appellant's initial salary placement as prescribed by the District Human Resources Division Guidelines.

An OYO or OSO Faculty member may, within the term of their initial employment as an OYO or OSO Faculty member, appeal their vertical and/or horizontal placement to the Faculty Association President; after this time period, no requests will be considered. If the appeal occurs within the initial term of their employment, the Faculty Association President will convene a review committee to review the appellant's initial salary placement as prescribed by the District Human Resources Division Guidelines.

The review committee will consist of four (4) members from the Faculty with the Faculty Association President, or designee, serving as chair. The Chair will appoint two (2) members: one (1) member will be appointed from the Faculty Professional Growth Committee and one (1) member from the appropriate Instructional Council. The fourth member will be the respective Faculty Senate President or designee.

The committee will; (1) review the case documents submitted by the concerned faculty member; (2) meet with the Chief Human Resources Officer, or designee, to discuss the case; and (3) make written recommendations to the CHRO, or designee. The CHRO, or

designee, upon receiving the written recommendation, will communicate, in writing, their decision within fifteen (15) business days.

### **10.3.4 Professional Growth Pay Progression After Initial Placement**

Residential Faculty can increase their salaries by earning additional graduate credits and approved professional growth credits consistent with Faculty Professional Growth Committee guidelines. Resultant salary adjustments are made annually during the Fall semester and are retroactive to the first day of Fall accountability. The maximum number of credits for Professional Growth Pay advancement for Residential Faculty without a doctorate degree is eighty-five (85) credits. The maximum number of credits for Professional Growth Pay advancement for Residential Faculty with a doctorate will increase to 96 credits in FY25 and then to 99 credits in FY26.

Residential Faculty who earn doctorates after their initial salary placement are advanced to 90 credits of Professional Growth Pay effective the date the transcript showing the earned doctorate is received by District Human Resources – Compensation.

### **10.3.5 Vertical Movement on the Salary Schedule**

Subject to annual recommendation by the Chancellor and approval by the Governing Board, Residential Faculty may be authorized for advancement vertically through the steps of the salary schedule at the rate of one (1) step per year of service.

### **10.3.6 Increment and/or Salary Increase Withholding for Individual Faculty Members**

Upon recommendation of the Vice President of Academic Affairs, the College President may withhold the recommendation for vertical advancement or salary increases for any of the following reasons, following the process outlined in Article 21.2:

- Failure to follow the best practices of teaching and learning.
- Failure to document sustained engagement through the IDP (Article 17) or FEP (Article 18) process.
- Giving insufficient time and effort to duties assigned or failure to perform a reasonable amount of extracurricular activities.
- Lack of adherence to the adopted policies of the MCCCCD. Notification must be made prior to April 15th.

Any individual Residential Faculty member denied an increment or salary increase, may appeal no later than April 20th to the Chief Human Resources Officer, or designee. Within fifteen business (15) days of such appeal, the Provost shall convene a review committee.

The committee will be composed of the Provost, the President of the College, and two (2) members from the Residential Faculty appointed by the Faculty Senate President. The Residential Faculty member may be present at the hearing, along with a representative of their choice. If a College does not have a Faculty Senate President, the College President will convene the Residential Faculty to elect the Faculty representatives. The committee will review the evidence and forward a recommendation to the Chancellor. The Chancellor will review the evidence, consider the advice of the committee, and render a final decision no later than May 15th.

### **10.3.7 Restrictions and Exceptions to Advancement**

In order for a Residential Faculty member to be advanced one (1) vertical step on the salary schedule, that Residential Faculty member shall have worked at least one (1) full semester as a Residential Faculty member. If the member worked less than one (1) full semester as a Residential Faculty member, they will remain on the same step of the schedule for the following year.

### **10.3.8 Other Paid Duties and Benefits**

All other paid duties, rates of pay, as well as other benefits for Faculty shall be included in Articles 7, 10, 11, and 13 of this Residential Faculty Agreement.

### **10.3.9 Employment for Less Than Contract Year**

For Residential Faculty members working less than 196 days of the contract year, pay shall be prorated on the basis of the number of contract days for which the member is employed.

### **10.3.10 Employment for Less Than One Hundred Percent (100%) Time**

Residential Faculty members may be employed by MCCCDC to work less than a full contract load, but in no instance less than seventy-five percent (75%) of the full contract load. Those members employed to work less than a full contract load shall receive or earn pro-rated salary, and be required to meet all accountability and professional responsibilities on a prorated basis.

### **10.3.11 One-Year-Only (OYO) and One-Semester-Only (OSO) Faculty**

OYO/OSO faculty may be hired only to address one of the following situations:

1. To backfill a Residential Faculty line when the incumbent is reassigned to a non-faculty position or is on sabbatical or leave.
2. To launch a new program at a College when no Residential Faculty exist at the

College that are qualified in the program area. The program may be staffed by OYO/OSO faculty up to a maximum of six semesters while it is determined if the program is viable.

3. To backfill a Residential Faculty line vacated due to a retirement or separation when there is insufficient time between the vacating of the line and the first day of the semester in which the new hire will need to begin teaching.
4. To backfill a Residential Faculty line when a search process for a Residential Faculty new hire has failed (i.e., no preferred candidates offered the job accepted the position).
5. To provide time for the College to enter the appropriate faculty hiring cycle.
6. To fulfill the terms of an external, non-MCCCD grant opportunity that requires a Full-Time Faculty member.
7. To utilize supplemental federal or state funding opportunities (e.g. Prop 301). The supplemental funding may be used to hire OYO or OSO Faculty up to a maximum of six (6) semesters.
8. A limited number of additional OYO or OSO Faculty may be hired with the authorization of the College President or designee in consultation with the Faculty Senate President or designee. If the Faculty Senate President is unavailable for consultation, the College President will notify the Faculty Senate President of the decision and rationale. The limited additional OYO and OSO Faculty at the College resulting from this situation will not exceed 2% of the total number of filled Residential Faculty positions or two (2) positions, whichever is greater, at any time during the academic year. In calculating the permissible number of OYO and OSO Faculty positions, standard rounding rules will apply. After six (6) consecutive semesters for the same assignment at the same College have been completed, if the position is to be continued as a full-time position then the College will post and fill a Residential Faculty position. If the College decides not to post and fill a Residential Faculty position, the College may use Adjunct Faculty to address the need. Any extension beyond the six (6) consecutive semester limitation must be approved by the Chief Human Resources Officer.

OYO/OSO experience will count towards salary placement for Residential Faculty but will not count towards the probationary period, sabbatical eligibility, and seniority.

Qualified substitutes may be employed when deemed necessary by the Faculty Chair, or designee. Qualified Full-Time or Adjunct Faculty members may be employed as substitutes. (See Article 10.4.7)

- flex benefits

These recommendations are informed by financial forecasts, fiscal constraints, and market salary studies and in compliance with legal and policy requirements.

Memoranda of Understanding may be used as appropriate to facilitate compensation and benefit policy changes aligned with the Strategic Compensation Plan and Governing Board Policy 2.7. Changes documented in Memoranda of Understanding will be integrated into the next version of the Residential Faculty Agreement, as appropriate.

## **10.7 Effective Date for Pay Rates**

All faculty pay rates will remain unchanged until the first day of accountability of the Fall semester; at that point, the new rates will apply. Pay rates for additional duties identified in this document and for part-time jobs are published on a shared site.

If known in advance, a faculty member may request a Leave of Absence for Personal Reasons longer than one semester with approval from the supervisor and College President/Vice Chancellor with concurrence from the Chief Human Resources Officer, or CHRO's designee. A Leave of Absence for Personal Reasons will have a cap of two semesters. The supervisor, College President/Vice Chancellor, and the Chief Human Resources Officer, or designee, may grant exceptions for extenuating circumstances.

## **12.8 Sabbatical Leave**

Sabbatical Leave may be granted to qualified members of the Residential Faculty. The administration and conditions of Sabbatical Leave shall be governed by the policy as stated in this section.

### **12.8.1 Purpose of Leave**

Sabbatical Leaves are granted to qualified Residential Faculty members for intellectual stimulation normally attained by study, research, travel, suitable work experience, or other creative activity. The purpose of the Sabbatical Leave is to upgrade the educational program of the Colleges by improving Residential Faculty competency.

### **12.8.2 Administration of Sabbatical Leave Policy**

The Faculty Professional Growth Committee shall administer the Sabbatical Leave policy. The duties of the Sabbatical Leave Subcommittee shall be to prepare application forms; to screen application forms; and to make recommendations for Sabbatical Leaves to the Faculty Professional Growth (FPG) Committee. The Subcommittee shall consist of the Faculty Professional Growth Committee Chair, one (1) Residential Faculty representative from each of the Colleges, and two (2) Vice Presidents of Academic Affairs, or designees. If an FPG Sabbatical and Advancements Representative wishes to apply for a Sabbatical Leave, the representative must resign from the committee prior to applying.

### **12.8.3 Application and Recommendation Procedures**

Applications must be submitted to the appropriate Vice President of Academic Affairs for forwarding to the Sabbatical Leave Subcommittee no later than October 1st. If October 1 falls on a weekend, the due date is the Friday prior to October 1st. The Subcommittee may request additional written or oral explanations of proposals.

The Subcommittee shall submit its recommendations to the Faculty Professional Growth Committee. The Faculty Professional Growth Committee shall present its list of recommendations to the Provost prior to December 30th. The Faculty Association President will receive a copy of this list.

The Provost will determine those Residential Faculty members approved for Sabbatical Leave and will provide the determinations to the applicants, Professional Growth Committee, and Faculty Association President by January 31.

Recommendations approved in the Spring are for the Fall semester of that calendar year and the Spring semester and Summer of the next calendar year.

### **12.8.4 Criteria for Sabbatical Selection**

Criteria for sabbatical selection will include, but will not be limited to, the following:

- Completing resident requirement for an advanced degree
- Completion of advanced degrees
- Curriculum and materials development

- Planned and approved travel related to the subject field
- Practical training of job experience in a subject-related field
- Research and publication
- Updating knowledge in subject field

### **12.8.5 Conflicts**

If two (2) sabbatical applications of comparable merit are received, the Residential Faculty member applying for their first sabbatical will be given preference.

### **12.8.6 Compensation and Financial Arrangements**

A Residential Faculty member on Sabbatical Leave will receive full pay for one-half (1/2) of the contract year and three-fourths (3/4) pay for the second one-half (1/2) of the contract year. A “short-term” sabbatical (defined as ten (10) weeks in length and taken outside of the contract assignment) may be granted. Pay for short-term sabbaticals will be ten (10) load hours at the overload rate.

If the sabbatical activity includes remuneration from other than the MCCCCD, the sabbatical proposal must clearly state all financial arrangements. The Faculty Professional Growth Committee may recommend; (a) a sabbatical with regular pay; (b) an adjustment in Sabbatical Leave salary; (c) a leave without pay; or (d) denial of the proposal.

Residential Faculty members on Sabbatical Leave will be paid at the same interval as other employees unless some other arrangement is made that is mutually satisfactory to the recipient and the administration. All other Residential Faculty benefits shall accrue.

The Residential Faculty member’s status shall not change while on leave, and the time spent on Sabbatical Leave will not interrupt progress on the salary schedule. The Residential Faculty member receiving the sabbatical will return to the position that they left unless, by written mutual agreement, other arrangements were made prior to the sabbatical having been granted.

A Residential Faculty member on sabbatical will retain their status as a member of the Arizona State Retirement System according to the regulation of that system.

### **12.8.7 Policy**

#### **12.8.7.1 Eligibility**

Residential Faculty members shall be eligible for consideration for Sabbatical Leave after serving twelve (12) consecutive semesters as Residential Faculty members in the MCCCCD. The twelve (12) consecutive semesters will not be considered as having been “broken” if the Residential Faculty member accepts a

“temporary assignment” in another policy group for a period of not more than two (2) years.

A Residential Faculty member is eligible for an additional Sabbatical Leave after completing twelve (12) consecutive semesters following the prior sabbatical.

### **12.8.7.2 Consideration and Criteria for Evaluation**

Every eligible Residential Faculty member following specified Faculty Professional Growth procedures shall be given equal consideration in granting Sabbatical Leaves except as outlined in 12.8.5.

The Sabbatical Leave Subcommittee recommends the Residential Faculty of each College to be granted Sabbatical Leave based upon criteria in 12.8.4. and available funding for Sabbatical Leaves.

### **12.8.7.3 Remuneration from MCCCCD**

Members on Sabbatical Leave may not receive any additional remuneration from MCCCCD other than registration fees, conference fees, or reimbursement for travel funds directly related to their Sabbatical Leave. Residential Faculty who reside at another location to complete the sabbatical are eligible for travel funding to and from the sabbatical location. Residential Faculty who reside at another location to complete the sabbatical are not eligible for housing expenses or per diem during their sabbatical. Residential Faculty requesting professional growth funds as part of their Sabbatical Leave must include these items as part of their sabbatical proposal. Residential Faculty members on sabbatical are eligible for, but not guaranteed, registration, conference, and travel funds. Approval of a sabbatical proposal does not guarantee funding of professional growth funds.

### **12.8.7.4 Voluntary or Paid Service to MCCCCD**

Members on Sabbatical Leave may not participate in voluntary or paid services to the District or to College/District Faculty Governance unless permission is granted by the Faculty Professional Growth Committee and the Provost. Residential Faculty members on Sabbatical Leave may participate in voting activities related to their employment.

### **12.8.7.5 Short-Term Sabbatical**

A short-term sabbatical may be granted only if the purpose of the sabbatical cannot be accomplished during either a Fall or a Spring semester. A short-term sabbatical may not be taken in conjunction with a regular semester sabbatical.

### **12.8.7.6 Changes to Sabbatical Proposal**

Any change in the sabbatical proposal must be formally approved by the Provost upon the recommendation of the Faculty Professional Growth Committee.

### **12.8.7.7 Failure to Follow or Complete Sabbatical**

Residential Faculty members unable to complete their sabbatical programs because of an emergency, accident, or illness shall be allowed to modify the programs and shall continue to receive contract benefits, provided they have furnished satisfactory notification and evidence to the Faculty Professional Growth Committee and the Provost. The Chief Human Resources Officer, or designee, and the Faculty Association President will also be notified. Contract benefits will be governed by the benefit and disability provisions of the Residential Faculty Agreement.

In case of alleged failure to follow the sabbatical proposal, the Chancellor will appoint a fact-finding committee to study the case. The committee will include the College President, the Faculty Senate President, and the Chair of the Faculty Professional Growth Committee. The committee will provide, without recommendation, its findings to the Chancellor, who will determine appropriate action.

## **12.8.8 Performance Reports**

To ensure that the members on sabbatical have begun their leaves according to plan, each shall submit a statement indicating this to the Provost, the College President, and the Faculty Professional Growth Committee no later than thirty (30) days after the beginning of each semester and summer. Sabbatical salaries will be suspended if this requirement is not fulfilled.

## **12.8.9 Return from Sabbatical**

Each Residential Faculty member returning from leave shall file, within sixty (60) days, a written report with the Faculty Professional Growth Committee, the Provost, and the College President. An official transcript will serve in lieu of a written report for full-time study programs.

The recipient will be required to sign a promissory note for the sabbatical salary, which shall be forgiven at the rate of one (1) semester for each two (2) semesters of contract fulfilled. A short-term sabbatical will be considered a one (1) semester sabbatical for this obligation. If the recipient is unable to fulfill the term of the promissory note due to death or disability, the note shall be void.

### **12.8.10 Publication During Sabbatical**

When a Residential Faculty member satisfies all of the conditions of their sabbatical agreement and, apart from the agreement, produces copyrightable material during the term of the sabbatical, they shall maintain sole ownership of the material.

When a Residential Faculty member produces copyrightable or patentable material as a condition of their sabbatical, the copyright or patent remains with the Residential Faculty member, but the District retains the unlimited right for faculty, students, and staff to use the material without payment of royalties. This right will apply to any subsequent revisions of the material.

## **12.9 Professional Unpaid Leave**

Professional Unpaid Leaves are those leaves that are recommended by the Faculty Professional Growth Committee, approved by the Chancellor or designee, and relate to the Residential Faculty member's assigned duties. Therefore, the Residential Faculty member is entitled to continuing service credit (advancement on salary schedule and continuous credit for Sabbatical Leave). The administration and conditions of Professional Unpaid Leave shall be governed by the policy as stated in this section.

### **12.9.1 Purpose of Leave**

Professional Unpaid Leaves not to exceed two (2) consecutive semesters may be granted to Appointive Residential Faculty members for intellectual stimulation normally attained by study, research, travel, suitable work experience, or other creative activity. The purpose of the Professional Unpaid Leave is to upgrade the educational program of the College by improving Residential Faculty competency.

### **12.9.2 Administration of Professional Unpaid Leave Policy**

The Faculty Professional Growth Committee shall administer the Professional Unpaid Leave Policy.

### **12.9.3 Application Procedures**

Applications for Professional Unpaid Leaves must be submitted to the appropriate Vice President for forwarding to the Faculty Professional Growth Committee preferably by February 15th and shall include:

- a statement of objectives of the proposed leave
- a statement relating the proposed leave to assigned duties
- a letter from the Faculty Chair
- a letter from the College President or designee

- if work related, a letter stating duties and responsibilities

The Faculty Professional Growth Committee may request additional written or oral explanations of proposals.

### **12.9.4 Recommendation Procedures**

The Faculty Professional Growth Committee shall present its list of recommendations to the Chancellor, the Provost, and the Faculty Association President before April 1st.

The Provost will determine those Residential Faculty members approved for Professional Unpaid Leave and will provide the determinations to the applicants, Professional Growth Committee, and Faculty Association President by May 1.

### **12.9.5 Criteria for Professional Unpaid Leave**

Criteria for Professional Unpaid Leave selection will include, but will not be limited to, the following:

- completing resident requirement for an advanced degree
- completion of advanced degrees
- curriculum and materials development
- planned and approved travel related to the subject field
- practical training of job experience in a subject-related field
- research and publication
- updating knowledge in subject field

### **12.9.6 Policy**

#### **12.9.6.1 Approval of Proposal Changes**

Any change in a Professional Unpaid Leave Proposal must be formally approved by the Provost.

#### **12.9.6.2 Failure to Follow Proposal**

In the case of an alleged failure to follow the Professional Unpaid Leave Proposal, the Chancellor may appoint a fact-finding committee to study the case. The committee will include the College President, the Faculty Senate President, and the Chair of the Faculty Professional Growth Committee. The committee will submit a finding of fact to the Chancellor, who will determine an appropriate action. If the College does not have a Faculty Senate President, the College President will convene the Residential Faculty of the College to elect the Residential Faculty representative.

## **12.9.7 Performance Reports**

### **12.9.7.1 Statement Initiating Start of Leave**

To ensure that the Residential Faculty members on Professional Unpaid Leave have begun their leaves according to plan, each shall submit a statement indicating this to the Provost, the College President, and the Faculty Professional Growth Committee no later than thirty (30) days after the beginning of each semester.

### **12.9.7.2 Final Report**

Within sixty (60) days after returning, a final report stating benefits and professional growth acquired shall be sent to the Faculty Professional Growth Committee, the Provost, and the College President.

### **12.9.7.3 Failure to Meet Requirements or Complete Leave**

Failure to meet requirements as stated in 12.9.6.1., 12.9.7.1., and 12.9.7.2. shall cause the Professional Unpaid Leave to revert to the classification of Personal Unpaid Leave.

A Residential Faculty member unable to complete their Professional Unpaid Leave Program because of accident or illness, shall be allowed to modify the program and shall continue to receive contract benefits, provided they has furnished satisfactory notification and evidence of the situation to the Faculty Professional Growth Committee. The Residential Faculty member's contract benefits will be governed by the benefit and disability provisions of the Residential Faculty Agreement.

# **ARTICLE 13 PROFESSIONAL GROWTH**

MCCCD recognizes the value of professional growth as it pertains to the continued development of teaching and learning. Residential Faculty may choose to advance on the salary schedule or receive reimbursement for various types of activities directly related to professional development. Faculty Professional Growth (FPG) has developed a set of policies and procedures that relate to advancement and reimbursement. All requests for salary advancement and/or reimbursement must adhere to the policies and procedures.

The policy is essentially a method of recognizing the efforts of Full-Time Faculty as they engage in professional activities related to their service to the District. The policy does not allow for compensation to be provided for activities considered to be a part of a Full-Time Faculty member's job duties.

Because of the great variety of activities that are recognized and the even greater range of individual requests, it may be necessary to apply interpretive judgment to determine whether the request adheres to the policy. Part of the responsibility of the FPG Committee is to make such determinations.

These guidelines will be prepared and reviewed annually by the FPG Committee and the Policy Review Committee. The guidelines will be approved annually by the Faculty Executive Council.

## **13.1 Professional Growth Advancement - General Information**

For a Residential Faculty member to be credited with horizontal increments, transcripts, grade slips, official notices showing satisfactory completion for academic coursework, and proof of attendance or other types of verification required for non-academic advancement, activities must be on file with the District Human Resources Division by September 15th of the contract year.

No request for academic credit will be approved for any activity accomplished earlier than two (2) years prior to the submission of the request. Course work completed prior to the Residential Faculty member's hire is deemed to be a condition of their employment that is used in determining their initial placement on the salary schedule and, therefore, is not eligible for advancement under Professional Growth. Inclusion of coursework for horizontal placement may be appealed under 10.3.4. Salary Placement Review Board.

Some activities may require prior approval from the Faculty Professional Growth Committee.

The Faculty Professional Growth Committee will at all times attempt to make determinations in an open and unbiased manner that is free from conflict of interest. Accordingly, Faculty Chairs who are members of the Faculty Professional Growth Committee will abstain from decisions that affect the professional growth applications of Residential Faculty members in their respective

Departments/Divisions; likewise, Residential Faculty members who are on the Professional Growth Committee will abstain from decisions that affect the professional growth applications of their respective Faculty Chairs. Other potential conflicts of interest will be treated in a similar manner.

## **13.2 Policy for Horizontal Advancement on the Salary Schedule**

### **13.2.1 Approval of Individual College Courses**

#### **13.2.1.1 Graduate Courses Within Subject Field Policy**

Graduate-level courses for which credit is granted, and not previously taken within the subject field, are acceptable if approved.

#### **13.2.1.2 Undergraduate Courses Within Subject Field**

Undergraduate courses within the subject field will be acceptable if approved.

#### **13.2.1.3 Graduate Courses Not Within Subject Field**

Graduate courses not within the subject field are acceptable if the course has a direct application to the professional responsibility of the Residential Faculty member. Courses required for the correction of Maricopa Community Colleges' Faculty hiring qualifications deficiencies, will not be accepted for advancement on the salary schedule, e.g., "The Community College" course.

#### **13.2.1.4 Undergraduate Courses Not Within Subject Field**

Undergraduate courses not within the subject field may be acceptable if approved.

#### **13.2.1.5 Approval of College Courses While Pursuing a Degree**

##### **13.2.1.5.1 Graduate Degree**

Not all graduate degrees advance the cause of the professional competency of the member. Specific justification must be supplied to prove that the completion of the degree will produce specific benefit and credit to the field of responsibility. Exceptions will be made for degrees leading to a probable future assignment.

##### **13.2.1.5.2 Undergraduate Degree**

Faculty members who are pursuing the Associate or Bachelor's degree, must file a "Program of Study" as outlined by the degree-granting institution, and obtain approval from the appropriate Vice President.

## **13.2.2 Approval of Non Academic Activity**

The maximum nonacademic activity credit allowed to advance on the salary schedule will be limited to fifty-seven (57) credit hours of the total eighty-five (85) hours possible. A clear and complete description of the nonacademic activity must be submitted with the request for credit approval. The Faculty Professional Growth Committee may request documentation and/or verification of the activity.

### **13.2.2.1 Travel**

One (1) credit will be granted for each consecutive ten (10) days of travel. The maximum credit allowable in the area is twelve (12) credit hours.

### **13.2.2.2 Work Experience**

The work experience must be directly related to the faculty member's field of responsibility, and one (1) credit will be granted for each thirty-five (35) clock hours of work experience.

### **13.2.2.3 Clinics, Conferences, Workshops and Seminars**

One (1) credit hour will be granted for each eighteen (18) clock hours in clinics, conferences, workshops, or seminars.

### **13.2.2.4 Other Professional Activity**

One (1) credit will be granted for each thirty-five (35) clock hours of service performed. The activity must be in addition to the professional responsibilities of the faculty member, and these activities must occur outside the regular hours of accountability.

## **13.3 Professional Growth Projects**

Residential Faculty members are eligible to apply for professional growth funds to:

- Participate in conferences, workshops or professional meetings that will increase knowledge, skills, or attitudes enhancing one's role at the College and/or in Faculty development.
- Develop projects or programs for one or more faculty members to improve knowledge, skills, or attitudes in a particular area.

## **13.4 Professional Growth Travel and Expenses**

The Chancellor, with Governing Board approval, will allocate to the Faculty Professional Growth Committee a sum for travel and expenses to attend professional activities. The expenditures of

such funds shall be administered by the College Travel Committee in compliance with Faculty Professional Growth policies.

### **13.5 Denial of Professional Growth**

Denial of Sabbatical Leave, Professional Unpaid Leave, or professional growth travel and/or fees by the Faculty Professional Growth Committee, is not grievable under the Residential Faculty Agreement as outlined in Article 20. Members shall have the right to appeal decisions of the Faculty Professional Growth Committee on aforementioned activities to the Faculty Professional Growth Appeals Committee.

### **13.6 Clerical Support**

Clerical support will be provided for the Faculty Professional Growth Committee through the Office of the Provost. The Provost will be expected to provide no less than one full time, regular, twelve (12) month clerical position to support the Faculty Professional Growth Committee. Efforts will be made with regard to space requirements for the committee, its files, and other materials/equipment.

### **13.7 Professional Growth Budget for Residential Faculty**

The annual budget for professional growth for Residential Faculty will be no less than the amount allocated the previous fiscal year and will consider increases relative to the number of additional Residential Faculty positions.

Monies allocated for the fiscal year will be fungible among the Professional Growth accounts. The Faculty Professional Growth Committee will make a recommendation to transfer funds to the Provost, who will approve the transfer.

Unused Professional Growth monies may be carried forward to the next fiscal year.

### **13.8 Professional Growth Budget for OYO and OSO Faculty**

The OYO and OSO Faculty professional growth budget is funded through Maricopa Center for Learning and Innovation (MCLI). OYO/OSO Faculty may apply for funding assistance on reimbursement basis to attend conferences, seminars, workshops, and professional meetings that are directly related to the OYO and OSO Faculty's instructional or service assignment. The OYO/OSO Faculty Professional Growth Program is administered by the MCLI.

OYO/OSO Faculty may receive up to \$750, within a fiscal year, in funding for approved professional growth activities, including travel, during their term of service.

Professional development activities that utilize FPG Funds cannot be applied towards advancement in the Salary Tier Structure.

## **13.9 No Pay Deduction for Participation in Professional Growth**

All Full-Time and Adjunct Faculty who participate in approved professional growth activities enhance their expertise as faculty in addressing the needs of students. Because the institution derives a benefit from the professional growth of its faculty, the pay of Full-Time and Adjunct Faculty is not docked for classes or other professional responsibilities missed due to participation in approved professional growth activities.

# **ARTICLE 14 RESIDENTIAL FACULTY**

## **POSITIONS**

### **14.1 Methodology for the Number of Residential Faculty Positions**

Residential Instructional Faculty authorized positions at any College are based on total instructional load for the most recently completed Fall and Spring semesters in the same academic year. Load is converted to full-time teacher equivalents (FTTE) by dividing total instructional load by 30. Residential Library Faculty and Residential Counseling Faculty authorized positions are based on Fall Full-Time Student Equivalent (FFTE).

#### **14.1.1 Instructional Faculty**

At the individual Colleges, a minimum of 60% of the total instructional load shall be taught by Residential Faculty. The residential/adjunct ratio (as defined in Article 1) for the individual Colleges will be calculated each Fall semester. During the eight to ten (8 – 10) year implementation phase commencing in Fall 2013, Colleges shall increase the number of filled Residential Faculty lines every year until the percentage of instructional load taught by Residential Faculty reaches and is maintained at 60% or higher. The guiding principles for the implementation plan as identified by the RFACT team will inform the implementation phase.

#### **14.1.2 Library and Counseling Faculty**

At the individual Colleges, there will be a minimum of one (1) Residential Library Faculty and one (1) Residential Counseling Faculty per 1000 FFTE, inclusive of dual enrollment. The Library and Counseling Faculty ratios (as defined in Article 1.) for the individual Colleges will be calculated each Fall semester based on Fall Full-Time Student Equivalent (FFTE), inclusive of dual enrollment. During the eight to ten (8 – 10) year implementation phase commencing in Fall 2014, Colleges shall increase the number of filled Residential Library and Counseling Faculty lines until the 1000:1 ratios are attained. Implementation plan guiding principles identified by RFACT will inform the implementation phase.

#### **14.1.3 Allocation of Residential Faculty Lines at the Colleges**

As a part of its normal deliberations, the College Faculty Staffing Advisory Committee will seek to allocate Residential Faculty lines with an appropriate balance between Departments/Divisions to ensure that 60% of the total instructional load at each College is taught by Residential Faculty and the Library and Counseling Faculty ratios are achieved.

# **ARTICLE 15 RESIDENTIAL FACULTY**

## **TRANSFER PROCESS**

A Residential Faculty member may request a transfer or be transferred from a discipline or service department at one College to a similar discipline or service department, if qualified in that discipline or service department, at another College.

### **15.1 Residential Faculty-Requested Transfers**

#### **15.1.1 Factors for Consideration**

In the case of a Residential Faculty-requested transfer, the following factors will be considered.

- The preference of the Residential Faculty member for a particular College;
- Protecting the employment of Appointive Faculty members in the event of overstaffing in the present assignment; and/or
- Meeting the staffing needs educationally and/or numerically of another College/facility.

#### **15.1.2 Transfer Decision-Making Process**

All parties concerned will provide input into the transfer decision including, but not limited to, the following: College Presidents, Vice Presidents, Faculty Chairs of the appropriate Colleges, in addition to the Residential Faculty member requesting transfer.

The determination of transfer will be based upon, but not limited to, the following criteria:

- willingness of transferee/receiving College (division, department and administration);
- reciprocal need for transfer;
- academic qualifications of transferee; and
- mutual Presidential agreement.

Before the determination of transfer is considered, the transfer opportunity will be communicated to all Residential Faculty in the District. Once communication has occurred, all transfer requests will be considered. When the conditions above are met, a voluntary transfer can be approved.

## **15.2 Institution-Initiated Transfers**

The parties recognize that there are occasions necessitating the reassignment of Residential Faculty when the steps outlined in the voluntary transfer policy are not appropriate or do not meet the needs of the situation.

In such instances, decisions to reassign Residential Faculty will be authorized by the College President(s) who are involved, with the concurrence of the Chief Human Resources Officer, or designee. The Residential Faculty member(s) will be advised as far in advance as possible of any decision to implement an involuntary transfer.

Affected Residential Faculty members shall have the right to appeal (in writing) such reassignment. Such appeal must be delivered to the Chief Human Resources Officer, or designee, within fifteen (15) business days of the original notice of reassignment. Chief Human Resources Officer, or designee, will review the circumstances of the reassignment, determine whether to sustain the appeal or not, and notify the Residential Faculty member and provide a decision in writing within thirty (30) calendar days of receipt of the appeal. The Residential Faculty member will have the right to appeal the decision of the Chief Human Resources Officer, or designee, to the Chancellor for a final decision. Such appeal must be delivered to the Chancellor within fifteen (15) business days of written notification of the Vice Chancellor's decision. The Chancellor will advise the affected Residential Faculty member and the affected College President(s) of their decision regarding the transfer appeal within thirty (30) business days of the receipt of the appeal. In the event the reassignment location has not been finalized, an update will be provided in writing every thirty (30) business days.

# **ARTICLE 16 RETAIN AND RETRAIN POLICY**

## **16.1 Purpose**

The purpose of this policy is to provide a process by which Residential Faculty may be retained as district employees as an alternative to layoff in the event of a planned reduction-in-force at a College. This policy is not to be used to address faculty performance concerns.

## **16.2 Faculty Service Areas**

Instructional Councils are accountable for recommending Faculty Service Areas (FSA) (i.e. instructional disciplines and/or service areas). All areas of specialty overseen by an Instructional Council may be grouped into a single Faculty Service Area or into multiple Faculty Service Areas as determined by the Instructional Council.

Instructional Councils determine the minimum qualifications necessary for faculty to teach or work in each FSA. Instructional Councils assign all courses in the course bank to one or more FSA.

The Provost is the approval authority for all FSA designations recommended by Instructional Councils. By March 1 of each academic year, each Instructional Council shall provide the Provost with written FSA recommendations. The Provost will review and approve final FSA designations for the following academic year by March 15.

Residential Faculty are deemed qualified in any FSA in which they meet the minimum qualifications. The primary FSA of Instructional Faculty is the FSA in which the majority of the faculty member's instructional load is taught over the most recently completed academic year. For Service Faculty, the primary FSA is the service area in which the faculty member has worked the majority of hours over the most recently completed academic year.

Secondary FSAs are all non-primary FSAs in which a Residential Faculty member meets the minimum qualifications.

The appropriate Vice President, or designee, at each College shall review and approve final FSA assignments by April 15. Residential Faculty may appeal the determination to the Provost by May 1.

Under-Ratio FSAs at a College are FSAs in which the addition of one Residential Faculty will not cause the percentage of instructional load in the FSA taught by Residential Faculty to exceed the applicable faculty ratios identified in Article 1.

By October 1, the Provost will provide the list of Under-Ratio FSAs at each College to all Residential Faculty.

## **16.3 Reduction-in-Force Decision Making Process**

The College President will convene a meeting with the appropriate Vice President, Faculty Senate Leadership, Faculty Chair with responsibility for the FSA, and all Residential Faculty within the FSA to review data and identify potential solutions where a reduction-in-force is being considered. The meeting will be facilitated by a neutral party trained in interest-based decision making and not employed at the College upon the request of any participant convened for the meeting.

### **16.3.1 Data Analysis**

In the meeting, the analysis that has led the College President to conclude that a reduction-in-force in the FSA at that College may be necessary will be shared. The analysis will include but is not limited to the following:

- Relationship of the FSA to the mission, vision, values, and strategic plan of the College and District
- External requirement for the services provided by the FSA such as accreditation or intergovernmental agreements
- Annual instructional load (as applicable)
- Percentage of annual instructional load taught by Residential Faculty (as applicable)
- Fall Full-Time Student Equivalent (FFTE) inclusive of dual enrollment
- Number of Residential Faculty teaching/working in the FSA
- Number of Residential Faculty whose primary FSA is the FSA being analyzed
- Revenue trends over five years for the FSA including but not limited to tuition and fees
- Expenditure trends over five years for the FSA including but not limited to personnel and capital
- Account balances for any fees accounts within the FSA
- Cost/benefit analysis of reducing all non-Residential Faculty plus one Residential Faculty within the FSA
- An explanation of the problem that reducing the number of faculty in the FSA would solve
- The list of potential Residential Faculty that are at risk of layoff as determined by the Vice Chancellor of Human Resources
- Other relevant information, as requested

### **16.3.2 Identification of a Preferred Solution**

The facilitator will assist the group in the following:

- Understanding the history of the FSA
- Identifying the problem that needs to be solved
- Determining the parties' interests
- Generating options for solutions
- Applying agreed-upon criteria to evaluate possible solutions
- Reaching consensus on a preferred solution

Potential solutions could include:

- Formal solicitation of voluntary retirements of Residential Faculty members in the FSA, in inverse order of potential layoff
- Moving one or more Residential Faculty in the affected FSA to a secondary FSA at the College in which the Residential Faculty member is qualified. The secondary FSA would become the primary FSA for the affected Residential Faculty member in the subsequent year
- Voluntary transfers of one or more Residential Faculty members in the affected FSA to vacant Residential Faculty positions at other Colleges pursuant to 15.1.
- Multiple College assignments to include day and evening assignments

If the preferred solution includes a recommendation that no non-Residential Faculty be hired and one or more Residential Faculty members within the FSA be reduced, the parties will jointly prepare and submit a written reduction-in-force plan to the Chancellor no later than October 1. If approved by the Chancellor, the plan will go into effect on July 1 of the subsequent fiscal year.

### **16.3.3 Process to Resolve an Impasse**

If the parties are unable to reach consensus on a preferred solution and the College President believes not hiring any non-Residential Faculty and a reduction of one or more Residential Faculty in the FSA is necessary, the College President will prepare and submit a written reduction-in-force plan to the Chancellor no later than October 1. At least seven (7) days in advance of the submission of the plan to the Chancellor, the written reduction-in-force plan will be shared with the Residential Faculty in the FSA and the Faculty Senate President. The Residential Faculty in the FSA may submit a written statement to the Chancellor related to the proposed reduction plan. If approved by the Chancellor, the plan will go into effect on July 1 of the subsequent fiscal year.

## **16.4 Determining the Residential Faculty Affected by a Reduction-in-Force Plan**

If the alternatives to a reduction-in-force do not sufficiently address the problem to be solved, the Chancellor shall determine the number of occupied Residential Faculty positions within an FSA to be reduced and the Residential Faculty members to be laid off pursuant to the following four-step process:

- The Chancellor will review the final recommendation and determine the FSA(s) and number of Residential Faculty positions in each FSA to be reduced.
- The final reduction-in-force plan shall be submitted to the Chancellor for approval.
- The Chancellor will provide the plan to the Chief Human Resources Officer, who will review the plan and determine the specific Residential Faculty member(s) to be laid off based on the criteria provided herein.
- Upon approval of the reduction-in-force plan by the Chancellor, layoffs of identified Residential Faculty members shall be implemented by District Human Resources.

## **16.5 Layoff Order for Reduction-in-Force**

No non-Residential Faculty (e.g. Adjuncts, OSOs, OYOs) shall be employed by the College in the FSA(s) in which Residential Faculty are to be laid off. The layoff order for Residential Faculty will be in inverse order of seniority, where seniority is determined by the first date of Residential Faculty employment (i.e. tenure track date). In the event that two faculty in the FSA have the same tenure track date, the following criteria will be used in the numbered order below until a tie no longer exists to determine which faculty member is the most senior.

1. The Residential Faculty member with the greatest number of fall/spring semesters teaching/working in the FSA at the College will be most senior.
2. The Residential Faculty member who is furthest to the right on the salary schedule will be the most senior.
3. If a tie in seniority still exists after applying the aforementioned criteria, the Chief Human Resources Officer shall randomly select which Residential Faculty member will be said to have the greatest seniority.

The Residential Faculty members in the FSA at the College to be laid off shall be notified by the Chief Human Resources Officer no later than December 1.

## **16.6 Retaining and Retraining Faculty Identified for Layoff**

### **16.6.1 Plan to Retain**

No later than the last day of Fall Semester, a committee composed of the Residential Faculty member who has been identified for layoff, the appropriate Faculty Chair, the Faculty Senate President, and the appropriate Vice President (or designee), shall meet with the purpose of developing a plan to retain the faculty member scheduled for layoff as an employee in the District.

Options for the plan may include but are not limited to transferring to another College as Residential Faculty in any Under-Ratio FSA in which the Residential Faculty member is qualified or retraining to become qualified in an Under-Ratio FSA before transferring to another faculty position.

### **16.6.2 Transfer to Another College without Retraining**

Probationary Faculty whose most recent Peer Assistance and Review recommendation was Renew and all Appointive Faculty may:

- Request a voluntary transfer to Residential Faculty positions at any other MCCCCD College in which the Residential Faculty member is qualified in inverse order of proposed layoff pursuant 15.1.1.
- Request a transfer into any Under-Ratio FSA at any other MCCCCD College in which the Residential Faculty member is qualified.

Within 15 accountability days of such a request, the Residential Faculty member will be interviewed by the College. If the Residential Faculty member meets the minimum qualifications of a Residential Faculty position in the FSA, they will be hired into the position, assuming funding as described in this section is available, unless the President of the receiving College can demonstrate that the Residential Faculty is not willing or able to perform the essential functions of the position as constituted in the FSA at that College.

If the Residential Faculty member is transferred, the gaining College shall contribute the equivalent of thirty (30) load hours at the Level 1 Non-Core Overload rate to the cost of the new Residential Faculty line. The balance of the transferred Residential Faculty member's salary shall be transferred from the District to the gaining College as a part of the budgeted residential/adjunct 60:40 ratio implementation plan. The ability to transfer under this process is contingent upon budgeted funds for the residential/adjunct 60:40 ratio implementation plan.

## **16.7 Retraining**

Appointive Faculty identified for layoff, who are not transferred per 16.6.2. above, are eligible to be retrained as described hereafter.

The committee identified in 16.6.1., will seek to determine what additional coursework or other training will be required for the Appointive Faculty member to become qualified in an Under-Ratio FSA selected by the Residential Faculty member.

If the committee determines that it is feasible for the Residential Faculty member to become qualified in the selected Under-Ratio FSA within 12 months of the scheduled date of the layoff and the Residential Faculty member is willing to pursue retraining, the committee will submit a training plan to the Chief Human Resources Officer for review. The CHRO, upon verifying the plan, will result in the Residential Faculty member becoming qualified in an Under-Ratio FSA, will approve the plan and notify the committee, the Provost, and the College President of the College where the Residential Faculty member will transfer upon becoming qualified in the Under-Ratio FSA.

If the Residential Faculty member has not become qualified in the selected Under-Ratio FSA by the scheduled layoff date at the College, the Residential Faculty member will be placed on a retraining leave for up to 12 months, after the Residential Faculty member expresses intent to complete the retraining plan.

A Residential Faculty member's salary and benefits during any retraining leave shall be funded entirely by Faculty Professional Growth funding.

The benefits and obligations for retraining leave shall be the same as those described in Article 13, 12.8.6., 12.8.7., 12.8.8., and 12.8.9.

Upon becoming qualified in the selected Under-Ratio FSA, the Residential Faculty member will transfer into the selected Under-Ratio FSA at the previously identified College pursuant 16.6.2.

If the retrained Residential Faculty member fails to become qualified in the Under-Ratio FSA, the member shall then be subject to layoff and will be required to repay the salary paid to the member during the retraining leave. If the retrained member obtains retraining and is placed in the Under-Ratio FSA but works less than two (2) academic years in the Under-Ratio FSA after retraining, the member will be required to repay the salary paid during the retraining leave.

## **16.8 Appeal Process**

### **16.8.1 Verification of Policy Application**

A Residential Faculty member who has been notified that the member is scheduled to be laid off may appeal, if the employee believes this retain and retrain policy was violated. The affected employee must submit a written request specifying the improper application

of the policy to the CHRO, or designee, within five (5) business days of the receipt of notice of layoff. Upon receipt of the request, the CHRO shall convene an Appeal Committee made up of the Faculty Association President, the Director of the HR Solutions Center and MCCCDCD General Counsel, or designees. The Appeal Committee shall meet within ten (10) business days of the request to verify that the reduction-in-force decision making process was followed (16.3), that alternatives to a reduction-in-force were considered (16.4), that the least senior Residential Faculty member was selected for layoff (16.5), and that the Residential Faculty member was provided the option of transfer or retrain and transfer (16.6). The Appeal Committee shall determine if the policy was followed. If the Appeal Committee determines the policy was followed, the layoff decision will stand. If the Appeal Committee determines the policy was not followed, the committee will report any variances to the Vice Chancellor of Human Resources.

If the Vice Chancellor of Human Resources concurs that the policy was not followed, appropriate remedial action will be taken.

### **16.8.2 Illegal Discrimination**

In situations involving allegations of discrimination based on race, color, religion, sex, sexual orientation, gender identity, national origin, citizenship status, age, disability, veteran status, or genetic information, the review of the layoff shall be conducted by the MCCCDCD EEO/AA Manager, who shall submit a recommendation to the Vice Chancellor of Human Resources, who shall make a final decision.

### **16.8.3 Notification of the Outcome of an Appeal**

The Chief Human Resources Officer, or designee, shall issue a written decision regarding the appeal to the affected employee, Faculty Association President, and College President within five (5) business days of receiving either the recommendation of the Appeal Committee or the EEO/AA Manager. The decision is final and cannot be grieved under the grievance procedure in this manual.

## **16.9 Effect of Layoff**

### **16.9.1 Employment**

Residential Faculty scheduled for layoff who do not transfer to another College or accept a retraining leave will be laid off pursuant to this policy and are deemed separated from service with MCCCDCD effective June 30 of the current fiscal year. Eligible employees shall be paid for accrued but unused sick leave pursuant to 11.6.

## **16.9.2 Insurance Benefits**

Laid-off employees may continue to receive insurance benefits according to district policy and law if they are not reemployed by MCCCCD.

## **16.9.3 Tuition Waiver**

Residential Faculty and their spouses and dependents may continue to receive tuition waivers for any MCCCCD course that begins before July 1 of the subsequent fiscal year.

## **16.9.4 Retirement Status/Withdrawal of Employee Contributions**

Laid-off Residential Faculty stop earning retirement service credits effective July 1 of the subsequent fiscal year. They may elect to withdraw the employee portion of retirement contributions pursuant to state law, which may include the employee portion and employer portion based on credited service, as of July 1 of the subsequent fiscal year without affecting reemployment rights. Should the employee withdraw employee contributions and resume employment with MCCCCD within 24 months of the layoff effective date, the previously forfeited credited service may be repurchased as permitted by state law by paying an amount equal to the amount of withdrawn contributions plus interest to ASRS within 60 days of rehire date. Affected employees are urged to consult with District HR staff and ASRS about the consequences of withdrawing employee contributions.

## **16.9.5 Rights During Layoff Notice Period**

Between the December 1 layoff notification date and the June 30 layoff implementation date, the Residential Faculty member shall retain all rights of a Residential Faculty member including, but not limited to, salary and benefits.

## **16.9.6 Recall Rights**

Laid-off Residential Faculty members shall be placed on a recall list for three (3) years following the June 30 effective date of layoff. If the FSA at the College becomes an Under-Ratio FSA and if the College decides to hire any other Residential Faculty or OYO/OSO faculty in the FSA, the laid-off Residential Faculty member will be recalled in inverse order of layoff (last person laid off will be the first person recalled). If a laid-off Residential Faculty member accepts any other full-time permanent position within MCCCCD, the member will be removed from the recall list. While on a recall list, a laid-off Residential Faculty member shall be considered an internal candidate when applying for all vacant MCCCCD employment positions.

# **ARTICLE 17 PROBATIONARY RESIDENTIAL FACULTY PEER ASSISTANCE AND REVIEW**

Faculty are committed to quality teaching and to providing professional service to students, colleagues, and the District. Probationary Faculty agree to adhere to, support, and implement the following Probationary Faculty evaluation policies and procedures.

## **17.1 Purpose**

The rigorous Individual Development Plan (IDP) process is intended to provide significant professional growth and development for the Probationary Faculty member in an environment of support and encouragement from PAR Facilitators, Faculty Developers, Faculty Chairs, Faculty Mentors, Instructional Administrators, and others. Probationary Faculty document their Core work expertise, service to College and community, and professional development through the IDP. Probationary Faculty submit an IDP annually for a period of five (5) years.

The IDP and Peer Assistance and Review (PAR) process will not be used to address issues related to a Probationary Faculty member's employment outside the scope stated above. As such, it is not a punitive process nor the appropriate avenue to address professionalism and conduct standards, or ethical behavior, disciplinary, and administrative issues. It is the responsibility of the Faculty Chair and/or appropriate administrator(s) to use the administrative review process (see Article 20.6.) to address any issues that fall outside of Core work expertise, service to College/District, and professional development.

## **17.2 Areas for Evaluation**

The IDP includes the following areas for evaluation: Core work activity; service to Department/Division, College, and District; and professional development. Evidence for each annual IDP shall only include activities from the one-year period of the IDP.

### **17.2.1 Work Activity**

To document instructional excellence or excellence in Core work activity, Probationary Faculty submit the following required elements:

- Core work activity evaluation from trained Vice President of Academic Affairs or designee
- Core work activity evaluation from trained Faculty Chair/Program Director or designee
- Core work activity observation and feedback from peer(s)
- Results from Student Evaluation Forms (or Participant Evaluation Forms for

faculty who do not work directly with students)

- Narrative demonstrating a personal reflection on their effectiveness in core work activities in light of the evaluations, observations, and feedback

During Probationary Years 1 and 2, evaluations and observations will be completed once per semester. During Probationary Years 3 through 5, evaluations and observations will be completed once per year. (Article 17.1)

### **17.2.2 Service to Department/ Division, College, and District**

To document service to Department/Division, College, and District, Probationary Faculty submit evidence of service and provide a personal reflection on service activities and contributions. Some examples are provided below.

- Listing of committee/task force membership and description of contributions
- Description of participation in special projects/initiatives such as special events or curriculum development/revision
- Description of community service activities such as working with local business and industry, recruitment, service learning, outreach events, advisory board participation, outreach to K-12 partners, outreach to university partners, and volunteer activities

### **17.2.3 Professional Development**

To document professional development, Probationary Faculty submit evidence of professional development and provide a personal reflection on professional development activities and achievements. Some examples are provided below.

- College-level courses completed
- Workshops and conferences attended
- Books or articles published
- Presentations given

## **17.3 Peer Assistance and Review (PAR) Team Participants**

The PAR Team meets regularly to discuss the Probationary Faculty member's progress in developing the IDP.

### **17.3.1 PAR Team for Year 1**

- The Probationary Faculty member.
- One, preferably two, trained Appointive Faculty peers (or other professional colleague) chosen by the Probationary Faculty member. Peers will be

selected with the assistance of the Faculty Developer in consultation with the Vice President of Academic Affairs or designee and the Faculty Senate President. Peers may be selected from outside the faculty member's discipline, Department/Division, or College.

- The College's Faculty Developer and PAR Facilitator, if this role is separate from the Faculty Developer.

### **17.3.2 PAR Team for Years 2 – 5**

- The Probationary Faculty member.
- One, preferably two, trained Appointive Faculty peers (or other professional colleague) chosen by the Probationary Faculty member. Peers will be selected with the assistance of the Faculty Developer in consultation with the Vice President of Academic Affairs or designee and the Faculty Senate President. Peers may be selected from outside the faculty member's Department/Division or College.

### **17.3.3 PAR Team Training**

The Faculty Developers Council (FDC) will create, maintain, and administer training for PAR Team members.

## **17.4 Peer Assistance and Review Committee (PARC)**

The PARC consists of the appropriate instructional administrator and at least four (4) trained, Appointive Faculty appointed by the Faculty Senate President in collaboration with the Vice President of Academic Affairs. The PARC will evaluate all Probationary Faculty Individual Development Plans (IDPs) and make recommendations to the College President related to the renewal of the probationary appointment, and when appropriate, the granting of Appointive status. For the first four IDPs of each Probationary Faculty member, the PARC will offer one of the following recommendations by consensus:

- Recommend **Renew**: Recommend renew indicates that the Probationary Faculty member has demonstrated proficiency in Core work activity based upon the College's rubric; service to Department/Division, College, and District; and professional development.
- Recommend **Renew with Development**: Recommend renew with development indicates that the Probationary Faculty member has demonstrated some growth in Core work activity; service to Department/Division, College, and District; and/or professional development. However, there are critical and essential areas of opportunity the Probationary Faculty member must address to achieve proficiency based upon the College's rubric. The Probationary Faculty member will benefit from intentional and specific mentorship and professional development.

- Recommend **Nonrenew**: Recommend nonrenew indicates that the Probationary Faculty member did not demonstrate evidence of progress towards proficiency or competency in Core work activity; service to Department/Division, College, and District; and/or professional development.

Upon review of the fifth IDP of a Probationary Faculty member, the PARC will recommend by consensus one of the following:

- recommend renew with development and extension of probationary period by no more than one year (see Article 17.4)
- recommend for Appointive status
- recommend nonrenew

### **17.4.1 Faculty Developers Council**

The Faculty Developers Council (FDC) will create, maintain, and administer training for PARC members. That training will occur annually before PARC convenes to review IDPs and determine recommendations.

### **17.4.2**

PARC is to create a recommendation based on the Probationary Faculty member's current year IDP only, and based only on information in the IDP. The reflection document summarizing an existing Renew with Development process will be included in the next year's IDP and will be reviewed in determining if the areas of development have been adequately addressed.

### **17.4.3**

PARC will provide each Probationary Faculty member written feedback to support the recommendation from the PARC.

### **17.4.4**

A Probationary Faculty member actively and thoughtfully participating in PAR and the IDP process cannot receive a nonrenew recommendation without a prior renew with development recommendation unless concerns of such weight occur as to merit a nonrenew recommendation. In the first year that PARC identifies concerns that it feels could lead to nonrenewal, it will make the recommendation of renew with development and refer its concerns to the appropriate administrator for the administrative evaluation review process as applicable. Nonrenew recommendations not meeting this requirement will automatically become a renew with development

recommendation. It is the Vice President of Academic Affairs's responsibility in conjunction with the Faculty Senate representative to ensure these criteria are met before the recommendation goes to the College President.

### **17.4.5**

An Appointive Faculty Senate leadership representative (President Elect, current President, past President, or designee by current President) will be included in PARC discussions about potential renew with development, or nonrenew recommendations as an observer (or as a PARC member if necessary) and has the designated role of upholding the policies outlined in the Residential Faculty Agreement.

### **17.4.6**

Each college must create an IDP review rubric and provide that rubric to Probationary Faculty members by the third Friday of October each year.

### **17.4.7**

PAR Facilitators, as part of the Faculty Developers Council, will serve as an overseeing body to yearly approve college PARC rubrics with the purpose of ensuring consistent and appropriate PAR process application. PAR Facilitators will approve rubrics by the last Friday of September each year. A Faculty Developer may fill this role if the Faculty Developer also serves as the PAR Facilitator.

### **17.4.8**

All faculty PARC participants (voting and non-voting) shall be Appointive Faculty.

If approved by the Chancellor, Appointive status will be awarded January 1 of the following calendar year.

## **17.6 Rebuttal of PARC Recommendation**

Probationary Faculty who receive a recommendation of renew with development, or nonrenew from the PARC may send the College President a written rebuttal to the recommendation. Such rebuttal must be received within five (5) business days of the notification of the recommendation.

## **17.7 College President Response to PARC Recommendation**

### **17.7.1 Renew**

If, after reviewing the PARC recommendation, a College President determines that the Probationary Faculty member should be renewed, the Probationary Faculty member's employment shall continue for the subsequent academic year.

### **17.7.2 Renew with Development**

If, after reviewing the PARC recommendation, a College President determines that the Probationary Faculty member should be renewed with development the Probationary Faculty member shall complete the Renew with Development Process (Article 17.8)

### **17.7.3 Recommend for Appointive Status**

After reviewing the PARC recommendation resulting from the evaluation of the fifth IDP, if a College President determines that the Probationary Faculty member should be recommended for Appointive status, a recommendation to grant Appointive status will be sent to the Chancellor. If the College President determines not to recommend for Appointive status, the President may either renew with development (and extend the probationary period by no more than one additional year) or recommend nonrenew to the Chancellor.

### **17.7.4 Nonrenew**

While Residential Faculty are originally employed with the intention that they are continuing employees, the Chancellor (upon the advice of a College President) may determine that a Probationary Faculty member's contract not be renewed.

If, after reviewing the PARC recommendation, the College President determines the Probationary Faculty member should not be renewed, the College President shall recommend to the Chancellor in writing that the Probationary Faculty member not be renewed. The recommendation shall include the reasons for nonrenewal.

If the Chancellor agrees that the Probationary Faculty member should not be renewed, the Chancellor or designee will deliver the notice of intent to nonrenew by delivering it personally to the faculty member or by sending it by U.S. registered or certified mail directed to the member at their place of residence as recorded in the MCCC records no later than May 15. The notification shall include the reasons for nonrenewal.

Probationary Faculty who are nonrenewed are no longer employed as Residential Faculty.

### **17.7.5 Change to Recommendation**

If, after reviewing the PARC recommendation, a College President decides it is necessary or appropriate to make a change to a PARC recommendation, then the College President will provide specific documentation that justifies the change of the recommendation. This documentation is provided to the Probationary Faculty member, PARC, and Faculty Developer, and a copy is archived in the Probationary Faculty member's official personnel file.

## **17.8 Renew with Development**

A Probationary Faculty member who receives a renew with development recommendation will complete the Renew with Development process during the next academic year. The Renew with Development process is designed to provide additional support to the Probationary Faculty member, as indicated in PARC feedback, in the areas of Core work, service, and professional development.

### **17.8.1**

The process begins in April after PARC recommendations are delivered and ends in March of the following year before submission of the IDP.

### **17.8.2**

The process is supported by a team including, at a minimum, the Probationary Faculty member, the PAR facilitator (or the Faculty Developer, if the Faculty Developer fills the PAR facilitator role), the Vice President of Academic Affairs, the Faculty Senate President, and the Faculty Chair.

#### **17.8.2.1**

The role of the team is to provide guidance and support to the Probationary Faculty member throughout the next academic year as they work to develop in the areas of PAR and the specifically-identified PARC feedback.

### **17.8.3**

The Renew with Development process shall be based on the PARC feedback and designed by the identified process team. The process may include items suggested by the team during the initial meeting or other ideas similar in spirit or development potential. Recommendations must be as clear, specific, and measurable as possible.

### **17.8.4**

Before submission of the next IDP, the Probationary Faculty member completes the process by providing a written reflection to the Renew with Development team members detailing how the actions taken during the process resulted in growth.

### **17.8.5**

PAR Facilitators (or Faculty Developers, if the Faculty Developer fills the PAR facilitator role), as part of the Faculty Developers Council, will serve as an overseeing body of the Renew with Development Process procedure documents from each College with the purpose of ensuring consistent and appropriate process application. PAR Facilitators (or Faculty Developers, if the Faculty Developer fills the PAR facilitator role) will acquire all Renew with Development procedural documents from the process team by the first Friday in December.

## **17.9 Storage of PAR Process Documents**

The Probationary Faculty member's Vice President of Academic Affairs Core work activity evaluations, Faculty Chair evaluations, student evaluations, and Individual Development Plan (IDP) will be maintained at the local College. The PARC's and College President's recommendations will be maintained in the faculty member's official personnel file. (See Article 23)

## **17.10 Continuation of PAR Task Force**

The PAR Task Force may be called yearly by RFACT to reconvene and make suggested changes to the PAR Process.

# **ARTICLE 18 RESIDENTIAL FACULTY** **EVALUATION PLAN FOR CORE WORK** **IMPROVEMENT**

Residential Faculty are committed to quality teaching, instruction, and Core work activity and are employed to provide professional services to students, colleagues and the MCCCDC Residential Faculty support and implement the following self-evaluation policies and procedures. The objectives of the evaluation program are as follows:

- To improve teaching performance.
- To advise Appointive Residential Faculty members regularly and specifically of their strengths and weaknesses, progress, and overall status.
- To maintain continuity with advances in the respective disciplines.
- To continually seek effective and updated methodologies, the application of which provide increased comprehension of the discipline.

## **18.1 Time Frame**

Although the FEP can begin at any time, the appropriate college Vice President or designee, through the appropriate Faculty Chair, will be responsible for notifying Appointive Faculty early in the fall semester of the evaluation year. The FEP must be completed and submitted to the appropriate college Vice President of Academic Affairs or designee by June 30th of the evaluation year.

Appointive Faculty must complete or review and update a plan every third year (or more often if the faculty member desires).

Each College Senate will appoint a “Resource Person” who is familiar with the FEP to help facilitate the process. The Faculty/Staff Development Specialist is a suggested candidate for this position.

## **18.2 Areas for Evaluation**

To complete an FEP, each Appointive Faculty member must engage in a self-examination of the three Required Areas and at least two of the Elective Areas. Examples of the following areas can be found in the Faculty Evaluation Plan guidelines.

### **18.2.1 Required Areas**

- Teaching, Learning, and/or Service
- Course Assessment and/or Program Development/Revision

- Governance and/or Committee Participation at the College and/or District levels

### **18.2.2 Elective Areas**

- Professional Development
- Acquisition of New Skills
- Enhancement of Diversity and Inclusion
- College Level Assessment of Learning Outcomes
- Service to the Community

### **18.2.3 Related Areas**

In addition to an assessment of these “Three Required Areas and Two Elective Areas,” other “Related Areas” may also be selected by the Appointive Faculty member to review, in order to bring into better focus their full professional involvement at the College or within the MCCCD. See the FEP guidelines for examples.

## **18.3 Participants**

The team will consist of:

- The Appointive Faculty member to be assessed will be the director of, and active participant in, the designing and implementation of their FEP. They will carry the major responsibility for gathering the information about and completing the plan to the best of the person’s ability.
- An FEP committee member (to be chosen by the Appointive Faculty member) may be outside the Appointive Faculty member’s discipline, Department/Division, or College.
- A third person will be chosen from the following: Another professional colleague, Faculty Chair, College Vice President, Faculty/Staff Development Specialist, and advisory committee member or alumnus.

Students (or other services area recipients) will also provide input regarding teaching or service area performance via a customizable questionnaire or other appropriate measurement instrument. See the FEP guidelines for details.

## **18.4 Verification of Compliance**

At the conclusion of the process, the individual team members (referenced in Article 18.3) will review the documents submitted by the Residential Faculty member to indicate their performance and goals in the areas outlined in the FEP and then discuss them with the Appointive Faculty member. An “FEP Summary Endorsement Sheet” will be signed by the individual team members and also by the Faculty Chair and appropriate Vice President of Academic Affairs, or designee, to verify the work and indicate compliance with the process. A copy of the FEP Summary

Endorsement Sheet will be filed with the appropriate Vice President of Academic Affairs or designee.

## **18.5 FEP Guidelines Modification**

The FEP guidelines may be modified by a majority of votes cast by the Residential Faculty, provided any modifications do not violate the policies and procedures outlined in this Article.

# **ARTICLE 19 ADJUNCT FACULTY EVALUATION AND PROFESSIONAL DEVELOPMENT**

Professional development is the cornerstone of instructional excellence as demonstrated by the District's outstanding Adjunct Faculty workforce. Not only are Adjunct Faculty subject matter experts in the fields in which they teach, they are also committed to maintaining advanced skills in all instructional modalities. All Faculty are expected to provide exceptional instruction and/or service, and this is contingent upon Faculty continuing to strengthen their practice throughout their career, expanding current knowledge and practices within their area(s) of expertise as established by external regulating bodies related to their discipline. Adjunct Faculty are expected to complete all trainings and/or workshops required by District, state, or federal mandate.

Professional development will be available through a variety of methods supporting not only the skills development of individual Adjunct Faculty but also advancing the District's achievement of its student learning and success goals.

The purpose of the Adjunct Faculty evaluation process is to verify demonstrated proficiency in the Adjunct Faculty's instruction and/or primary work responsibilities within an environment of support and encouragement. The evaluation process can both recognize high performance resulting from an Adjunct Faculty's professional development and/or recommend areas of professional development in areas where improvement is needed.

## **19.1 Adjunct Faculty Evaluations**

The objectives of the Adjunct employee evaluation process are to ensure teaching efficacy and to advise Adjunct Faculty members regularly and specifically of their strengths and opportunities for growth, progress, and overall status.

Colleges will be required to provide a copy of their adjunct faculty evaluation form to District Human Resources for review. Evaluations will include performance data as appropriate and a review of the Adjunct Faculty member's course evaluations as completed by enrolled students.

### **19.1.1 Time Frame**

Adjunct Faculty members will be evaluated by the Faculty Chair or designee as detailed in Article 7.2.4.1 in each of the first three semesters of teaching at the College. After the first three semesters, Adjunct Faculty will be evaluated at least once every three years and any time they teach a new class at the College. Adjunct Faculty may be evaluated in any semester if deemed necessary.

Within 15 accountability days of the review date, the evaluator and the Adjunct Faculty member will meet to reflect on the evaluation. Results of the evaluation shall be provided in writing to the Adjunct Faculty member.

## **19.2 Adjunct Faculty Participation in Professional Development**

MCCCD understands the importance of professional development of Adjunct Faculty and its impact on student learning and success. As a result, the District provides Adjunct Faculty with many opportunities and resources for professional development. The District also acknowledges significant investments of Adjunct Faculty in professional development in alignment with its mission and goals through promotion within the Adjunct Faculty Salary Tier Structure. Professional development funding promotes Adjunct Faculty behaviors deemed most beneficial to the organization.

MCCCD, through the Maricopa Center for Learning and Innovation (MCLI), and the Colleges, through the Centers for Teaching and Learning (CTL), provide support for Adjunct Faculty professional growth.

## **19.3 Professional Growth Budget for Adjunct Faculty**

The Adjunct Faculty professional growth (AFPG) budget is funded through Maricopa Center For Learning And Innovation (MCLI). All Adjunct Faculty, plus current OYO and OSO, whether instructional or service, may apply for funding assistance on reimbursement basis to attend conferences, seminars, workshops, and professional meetings that are directly related to, and will enhance and/or update, the Adjunct Faculty's teaching skills and the learning of the Adjunct Faculty's students. The Adjunct Faculty Professional Growth (AFPG) Program is administered by the MCLI. For more details refer to: <http://mcli.maricopa.edu/adjunct-fpg>. [From Adjunct Faculty Handbook]

Adjunct Faculty may receive up to \$750 within a fiscal year, depending on course load, in funding for approved professional growth activities including travel.

## **19.4 Acknowledgment of Adjunct Faculty Professional Development**

Adjunct Faculty professional development will be acknowledged through the Salary Tier Structure.

### **19.4.1 Promotion on Adjunct Faculty Salary Tier Structure**

Adjunct Faculty will be able to advance to Level 2 on the Salary Tier Structure by completing 25 clock hours of professional development activities and to Level 3 by completing an additional 25 clock hours. The pay rates for Tiers is paid according to Article 10.2.2. The 25 clock hours of professional development for each level must be completed from the existing inventory of professional development activities approved by the FPG Committee.

Adjunct FPG Funds cannot be used to support participation in clock hours applied toward advancement in the Salary Tier Structure. Adjunct Faculty who are eligible for Staff Professional Growth Funds cannot apply those funds toward advancement on the Adjunct Faculty Salary Tier Structure.

### **19.4.2 Compensation for Time Completing FPG Committee- Approved Professional Development**

The Adjunct Faculty professional growth budget is administered through MCLI and each College's Center for Teaching and Learning (CTL). All Adjunct Faculty, plus current OYO and OSO, whether instructional or service, may apply for funding assistance for:

- Reimbursement for participation in conferences, seminars, workshops, and professional meetings that are directly related to, and will enhance and/or update, the Adjunct Faculty's teaching skills and the learning of the Adjunct Faculty's students.
- Professional development activities that utilize AFPG Funds cannot be applied towards advancement in the Salary Tier Structure.

# **ARTICLE 20 CONFLICT RESOLUTION**

The intent of this policy is to provide Faculty and Administration a clear path to resolving differences. Conflict is both an inevitable part of the workplace and an opportunity for improvement. Every conflict is unique and may require a distinct path to resolution. MCCCDC is committed to offering the Full-Time Faculty access to the District's coordinated network of options for the good faith review and resolution of workplace conflicts. These options include:

- An informal process to encourage prompt resolution of disputes. The informal step may include consultation, facilitated discussions, or mediation; and
- A formal process for conflicts not resolved through informal efforts, including facilitated discussion, mediation, and review by the College President and Chancellor.

The Grievance procedures established in this section are not the sole and exclusive remedy available to a grievant for resolving disputes arising under this document. It is understood that the subject matter forming the basis of the Grievance or Resolution of Controversy may also be instituted in an administrative action before a governmental board or agency. The provisions of Article 22 still apply.

Issues not covered by this policy:

- Claims that involve accusations of harassment, or violations of the Americans with Disability Act (ADA) or other EEO issues, should be reported to the Office of Equal Employment Opportunity. See Administrative Regulation 5: Non-Discrimination for more information.
- Title IX claims shall be reported to the Vice President of Student Affairs and to the District Title IX Director. See Administrative Regulation 5: Non- Discrimination for more information.
- Alleged violations of law, mismanagement, gross waste of monies or abuse of authority refer to Administrative Regulation 6.20: Whistleblower Protection.
- Allegations regarding perceived impairment of a faculty member that is manifesting in the workplace, should be reported to District Human Resources.
- Allegations of criminal conduct or perceived violations of workplace violence should be reported to Public Safety Department. See Administrative Regulation 6.21: Workplace Violence Prevention for more information.

## **20.1 Definitions**

### **20.1.1 Grievance**

A Grievance is an alleged misapplication, misinterpretation, or violation of a specific provision(s) of the Residential Faculty Agreement or Administrative Regulations that

adversely affects the grievant, as defined below. Initiation of a Grievance is the procedure by which a grievant may challenge a decision rendered by a supervisor, as defined below. Matters not specifically covered by the Residential Faculty Agreement or Administrative Regulations should be addressed through the Resolution of Controversy process, as defined below.

### **20.1.2 Grievant**

A grievant is a Full-Time Faculty member or members covered by the Residential Faculty Agreement who initiates the Grievance process as described in 20.3. If the aggrieved party is the College Faculty Senate, or Faculty Association, the Grievance will be initiated at the appropriate level.

### **20.1.3 Resolution of Controversy (RoC)**

All Faculty shall be accorded professional and courteous treatment by their colleagues and supervisors. A Resolution of Controversy (RoC) will be available for Full-Time Faculty to resolve workplace conflicts that are not Grievances. This process may be used to resolve issues such as, but not limited to, poor communication, different values, differing interests, scarce resources, adverse employment conditions, and personality clashes. Initiation of a Resolution of Controversy is the procedure by which a complainant may challenge a decision rendered by a supervisor, as defined below.

### **20.1.4 Complainant**

A complainant is a faculty member or members covered by the Residential Faculty Agreement who initiates the Resolution of Controversy (RoC) process. If the aggrieved party is the College Faculty Senate or Faculty Association, the Resolution of Controversy will be initiated at the appropriate level.

### **20.1.5 Supervisor**

A supervisor is an individual with the authority to render a decision under the Residential Faculty Agreement or Administrative Regulations. For the purposes of this policy, it is assumed that Grievances or RoC may challenge decisions made by employees of the District Support Services Office when acting in a supervisory capacity and the levels will proceed according to their respective reporting structures.

## **20.2 Core Elements of the Conflict Management System**

### **20.2.1 Facilitator**

A facilitator is a trained, neutral third party that may, upon request and agreement of all parties, facilitate problem-solving meetings at the informal or formal level.

### **20.2.2 Grievance File**

All documents, communications, and records dealing with the processing of a formal Grievance or RoC shall be maintained in a separate Grievance file by District Human Resources and shall not be kept in the personnel file of any participant. Tracking and documenting all Grievances and RoCs will be the responsibility of District Human Resources. A member shall have access to all documents pertaining to their Grievance or RoC and shall be provided copies of same within five (5) accountability days.

### **20.2.3 Investigation**

Prior to initiating any investigation of a Full-Time Faculty member, District or College leadership must contact District Human Resources. District or College leadership should proceed according to District Human Resources Guidelines, which will include notifying the Faculty Senate President or Faculty Association President, and informing the Full-Time Faculty member being investigated unless such notification would jeopardize the integrity of the investigation or harm the institution.

### **20.2.4 Just Cause**

No Full-Time Faculty member shall be disciplined, reprimanded, suspended, or reduced in assignment or compensation without just cause.

Just cause refers to those situations/instances where a Full-Time Faculty member has demonstrated incompetence or dishonesty in teaching, to substantial and manifest neglect of duty, or to personal conduct which substantially impairs the individual's fulfillment of their institutional responsibilities.

### **20.2.5 Mediator**

A mediator is a trained, certified and neutral third party who may, as defined in 20.3., mediate the formal or informal process, following the steps outlined in 20.5.

### **20.2.6 Meetings for problem-solving**

All meetings and hearings under this procedure shall be conducted in private and shall include relevant parties, their designated or selected representatives and a facilitator or mediator, if requested. The intent of the conflict management system is to provide confidential resolution of Grievances and complaints. However, Governing Board policy or state or federal law may preempt this good-faith intent.

### **20.2.7 Representation**

A faculty member may be accompanied by another employee, such as the Faculty Senate President, to meetings under this policy. The employee will be provided time to attend the

meetings within their accountability time. When any faculty member is required by the College President to appear before the Chancellor, Governing Board, or any committee thereof, concerning any matters that could adversely affect employment, they shall be entitled to select a representative and/or to have legal counsel present to advise and/or represent them during such meetings.

### **20.2.8 Retaliation**

Faculty and Administration are prohibited from retaliating against any individual for using the conflict management system. Retaliation or retribution by any employee against any person who files a complaint may result in disciplinary action up to and including termination. Similarly, if it is determined that the complaint is materially false and that it was made in bad faith, the complaining party may be subject to disciplinary action up to and including termination or expulsion. Any employee who believes that retaliation is occurring shall report such actions to Human Resources.

### **20.2.9 Scope of Grievance or Resolution of Controversy**

Disputed issues which were not presented in writing at the prior Grievance or RoC level may not be asserted at the next higher level.

### **20.2.10 Timelines**

Timelines may be extended through mutual agreement. Failure of the Administration to render a decision within the prescribed timelines automatically elevates the Grievance or RoC to the next level. Failure of the grievant or complainant to elevate the Grievance or RoC within the prescribed timelines ends the process. Every effort shall be made to resolve Grievances and RoCs prior to the end of the academic year. Resolution of Grievances and RoCs may require continuation into the next academic year, if the process is not complete by the date on which accountability ends. Such continuation will suspend all procedural timelines until resumption of faculty accountability. In consultation with District Human Resources, the parties may mutually agree to continue during non-accountability periods. Initiation of either process under this section within the prescribed timelines will be deemed sufficient to toll the matter without prejudice to the grievant/complainant.

### **20.2.11 Written Decisions**

Decisions rendered at all levels of the conflict management system shall be in writing, setting forth the decision and the reasons therefore, and shall be transmitted promptly to all parties in interest. Decisions that are unsatisfactory to the aggrieved person may be elevated through the conflict management system.

## **20.3 Procedures for Grievances or Resolutions of Controversy**

### **20.3.1 Level One: Informal Process**

Many Grievances or Resolutions of Controversy (RoC) can be efficiently resolved through direct communication or negotiation with colleagues, supervisors or appropriate administrators. Depending upon the specific organizational hierarchy, there may be multiple supervisory levels to attempt to resolve the Grievance or RoC prior to escalating the conflict to the formal level. These may include, but are not limited to Occupational Program Directors, Faculty Chairs, or Deans. By mutual agreement all supervisory levels may meet during the informal step to resolve the issues in a single meeting and parties may request a neutral facilitator or mediator (see 20.5.) to assist in the discussion.

Within twenty-five (25) accountability days of the occurrence of the act or omission giving rise to the Grievance or RoC or within twenty-five (25) accountability days of the date when the grievant or complainant should reasonably have known of the act or omission, the employee shall present the Grievance orally or in writing to their immediate supervisor. For a Grievance, the grievant shall cite the specific section of the Residential Faculty Agreement or Administrative Regulation which has allegedly been misapplied, misinterpreted, or violated. For a RoC, the complainant shall specify the nature of the complaint. The purpose of bringing the matter to the attention of the immediate supervisor is to resolve the matter at the lowest level.

The supervisor or administrator has five (5) accountability days to schedule the problem-solving meeting. The actual problem-solving meeting will be held within ten (10) accountability days of scheduling the meeting. A decision will be rendered within five (5) accountability days of the problem-solving meeting. The decision will be rendered in writing to the grievant or complainant.

If other levels of supervision before Level Two of the Formal Process (Article 20.3.2.1) (Appropriate Vice President) exist and are appropriate, then the grievant or complainant is required to informally proceed to the next level. The timeline noted above will be followed by both parties. By mutual agreement all supervisory levels may meet during Level One to resolve the issues in a single meeting.

### **20.3.2 Formal Process**

#### **20.3.2.1 Level Two: Appropriate Vice President**

If the grievant or complainant is not satisfied with the disposition of the alleged Grievance or Resolution of Controversy (RoC) at the informal level, the grievant or complainant may file a Grievance or RoC, in writing, within ten (10)

accountability days with the Vice President who is the immediate supervisor of the person to whom Grievance or RoC was taken at the informal level. If the grievant or complainant elects not to file the Grievance or RoC in writing within ten (10) accountability days, the Grievance or RoC will be considered terminated.

The Vice President has five (5) accountability days to schedule the formal meeting. The actual problem-solving meeting will be held within ten (10) accountability days of scheduling the meeting. A written decision will be rendered within fifteen (15) accountability days of the problem-solving meeting. If no decision is rendered within fifteen (15) accountability days after the problem-solving meeting, the Grievance or Resolution of Controversy is automatically forwarded to the next level.

### **20.3.2.2 Level Three: College President**

If the grievant or complainant is not satisfied with the disposition of the Grievance or Resolution of Controversy (RoC), the grievant or complainant may, within five (5) accountability days of the decision of the appropriate Vice President, forward the written Grievance or RoC and the response received from the Vice President, to the College President. If the grievant or complainant elects not to forward the Grievance or RoC in writing within five (5) accountability days of the decision of the Vice President, the Grievance or RoC will be considered terminated.

The College President has five (5) accountability days to schedule the problem-solving meeting. The actual problem-solving meeting will be held within ten (10) accountability days of scheduling the meeting. The College President will issue a written response to the grievant or complainant and to the Faculty Senate President within fifteen (15) accountability days after the problem-solving meeting. If no decision is rendered within fifteen (15) accountability days after the problem-solving meeting, the Grievance or RoC is automatically forwarded to the next level.

### **20.3.2.3 Level Four: Chancellor**

If the grievant or complainant is not satisfied with the disposition of the Grievance or Resolution of Controversy (RoC), the grievant or complainant may, within five (5) accountability days of the decision of the College President, forward the written Grievance or RoC and the response received from the College President, to the Chancellor. The Chancellor has five (5) accountability days to schedule the problem-solving meeting. The actual problem-solving meeting will be held within ten (10) accountability days of scheduling the meeting. The Chancellor will issue a written response to the grievant or complainant and to the Faculty Senate President within fifteen (15) accountability days after the problem-solving meeting. The decision of the Chancellor is final and binding.

## **20.4 Grievances or Resolutions of Controversy by Action of Vice Chancellors or Chancellor**

If the Grievance or Resolution of Controversy (RoC) is the result of conduct of a Vice Chancellor, the grievant or complainant will request a meeting with the appropriate Vice Chancellor in an effort to resolve the conflict. The Vice Chancellor has five (5) accountability days to schedule the problem-solving meeting. The actual problem-solving meeting will be held within ten (10) accountability days of scheduling the meeting. The Vice Chancellor will issue a written response to the grievant or complainant and to the Faculty Association President within fifteen (15) accountability days after the problem-solving meeting.

If the grievant or complainant is not satisfied with the disposition of the Grievance or RoC, the grievant or complainant may, within five (5) accountability days of the meeting with the Vice Chancellor, file a Grievance or RoC, in writing, to the Chancellor. The Chancellor has five (5) accountability days to schedule the problem-solving meeting. The actual problem-solving meeting will be held within ten (10) accountability days of scheduling the meeting. The Chancellor will issue a written response to the grievant or complainant and to the Faculty Association President within fifteen (15) accountability days after the meeting. The decision of the Chancellor is final.

If the Grievance or Resolution of Controversy (RoC) is the result of conduct of the Chancellor, the grievant or complainant will request a meeting with the Chancellor in an effort to resolve the conflict. The Chancellor has five (5) accountability days to schedule the meeting. The actual problem-solving meeting will be held within ten (10) accountability days of scheduling the meeting. The Chancellor will issue a written response to the grievant or complainant and to the Faculty Association President within fifteen (15) accountability days after the meeting.

## **20.5 Mediation Process**

If all parties agree to mediate the Grievance or Resolution of Controversy (RoC), the Faculty Senate President or Faculty Association President will request that the Office of the Chief Human Resources Officer contact the mediation service. The Mediator (trained, certified, and neutral) will mediate, conciliate, and coordinate communication among disputing parties. Timelines may be extended by mutual agreement.

The Mediator shall coordinate meetings and/or the exchange of correspondence between the disputing parties. The Mediator shall establish the time, date, and place of each meeting, giving at least 48 hours notice. If all parties agree, mediation can occur with less than 48 hours notice. The Mediator shall forward copies of the complaint and the mediation guidelines to the disputing parties. All mediation meetings shall be closed and confidential.

If the matter is resolved through mediation, the Mediator shall prepare an Agreement within five (5) accountability days of the completion of the mediation stating:

- The names of the parties
- That the mediation was successful
- The terms of the resolution.

Each party shall sign and date the Agreement at which time the mediation process ends. The Notice of Resolution, which will include the names of the parties involved, that the mediation was successful and the date of resolution, will be sent to the parties involved, the Faculty Senate President or Faculty Association President, the appropriate Vice President(s), and the College President.

Information received by the mediator during the mediation process will be confidential. Personal notes and minutes created or received during the mediation will be destroyed by the Mediator. The Mediator will not testify or provide statements about cases in which they were involved to Grievance or any other committees or hearing boards.

The Mediator may terminate mediation after meeting with each party at least once if it is apparent that the matter cannot be mediated.

If the matter is grievable or subject to the Resolution of Controversy process, a party has an additional fifteen (15) accountability days from the termination of mediation to proceed with the formal level of the Grievance or Resolution of Controversy process addressed in Article 20.3. in accordance with the terms thereof.

The mediation process shall conclude within forty-five (45) accountability days following the assignment of a mediator to the dispute. If no final resolution has been reached within that time, the mediation process shall cease; however, the mediator shall continue the mediation process for no more than fifteen (15) additional accountability days if the mediator and all parties to the mediation expressly acknowledge that the mediation process has been constructive and that the mediator and all parties believe that continuing the process will lead to a successful resolution of the dispute.

## **20.6 Administrative Evaluation**

The purpose of this process is to evaluate the validity of a complaint against a Full-Time Faculty member and, at the option of the College President or designee, to provide guidance as to appropriate action. This process should not be used to evaluate student claims of discrimination or student complaints involving an academic process.

The College President, or designee, in response to a written, signed complaint from a student, faculty member, administrator, or staff, may initiate an Administrative Evaluation after advising the Full-Time Faculty member within fifteen (15) accountability days of receipt of the complaint; and, at the option of the Full-Time Faculty member, will advise the Faculty Senate President.

To request an Administrative Evaluation, the College President or designee will submit a written request to the CHRO. The CHRO, or designee, will then form an Administrative Evaluation Team within seven (7) calendar days of the request consisting of one (1) Vice President of Academic Affairs (VPAA) or Instructional Dean, and two (2) Appointive Residential Faculty members identified from the District Administrative Evaluation membership roster. Selection of the team members will avoid both apparent, as appropriate, and actual conflicts of interest. In no instance shall the Faculty Chair of the evaluatee or the Faculty Senate President serve on the evaluation team. This team will use the standards adopted for their scope of assignment.

Prior to the evaluation, the College President, in consultation with the evaluation team, will determine the nature and scope of the evaluation. The scope may be expanded to include recommendation for action to the College President. The evaluation team will begin to conduct the evaluation process as soon as possible and submit a report that explains the evaluation results in less than forty (40) accountability days from the sent date of the notification letter to the evaluatee; if the evaluation process falls within a period of non-accountability, the faculty member in question may be asked to participate outside of accountability days but will not be required to do so. The evaluation process is confidential. Only the results of the evaluation will be discussed with the evaluatee, the evaluation team, and, at the option of the evaluatee, the Faculty Senate President. The College President and the evaluatee will receive a copy of this evaluation. If appropriate, the report will be placed in the evaluatee's official personnel file (see Article 23). The College President will have fourteen (14) calendar days from receipt of the report to take any action based on the results of the evaluation. By mutual agreement between the College President or designee, evaluation team and evaluatee, the deadline may be extended.

## **20.7 Final Course Grade Appeal**

This process is to be used to appeal the final instructional grades for a course. Only the faculty member who assigned the original grade has the authority to change that grade unless the grade is appealed and the appeal is successful. Assignment or exam grades may be reviewed in this process if they impact continuation in a program.

This process should not be utilized in a case in which a student feels that they have experienced discrimination or harassment. A student who feels that they have experienced discrimination on the basis of race, color, religion, gender, sex, sexual orientation, gender identity, or national origin, citizenship status (including document abuse), age, disability, veteran status or genetic information should refer to The Discrimination Complaint Procedures for Students. In addition, a student who feels that they have experienced sexual harassment should refer to the sexual harassment policy for students.

### **20.7.1 Timeliness of Appeal**

Any appeal of a final grade must be initiated no later than sixty (60) calendar days from the date the grade is issued. Absent exceptional circumstances, as determined in the sole

discretion of the Faculty Chair, no untimely appeals will be considered. The resolution timeline for grade appeals that occur after the spring semester may be deferred until the first day of accountability of the following fall semester if so desired by the Full-Time or Adjunct Faculty member who assigned the grade.

### **20.7.2 Process Deadlines**

The Faculty Chair or Vice President of Academic Affairs, as appropriate based on the level, may, upon a showing of good cause, extend any of the deadlines set forth in this process. Alternatively, any deadline may be extended by mutual agreement of the Full-Time or Adjunct Faculty member and student.

### **20.7.3 Documentation**

The student is responsible to provide a rationale for initiating a grade appeal. Any documentation to support the student's appeal is encouraged.

### **20.7.4 Remedies**

Remedies under this process may include, as appropriate, a change in the grade received for the course, exam, project, or other assignment. Documentation of the resolution will be housed within the Department/Division.

### **20.7.5 Expedited Grade Appeal Process for Technical Errors or Omissions**

This process may be used only to resolve grade appeals regarding technical errors or omissions in calculating or recording (1) a grade on an exam, project, or other assignment, or (2) an overall course grade. The grade appeal process (Article 20.7.6) should be used to process all other appeals regarding grades. This is the exclusive process for appeals regarding technical errors or omissions in grading.

#### **20.7.5.1 Faculty Level**

A student who feels that a technical error or omission has occurred with respect to the calculation or recording of a grade shall first attempt to resolve the issue with the Full-Time or Adjunct Faculty member who issued the alleged incorrect grade. An appeal regarding a technical error or omission in grading must be brought to the Full-Time or Adjunct Faculty member's attention no later than fifteen (15) business days from the date the student knew or reasonably should have known of the error or omission. The student shall provide the appeal to the Full-Time or Adjunct Faculty member in writing.

The Full-Time or Adjunct Faculty member shall attempt to investigate and resolve the appeal and inform the student of the resolution no later than ten (10) business

days from the date the student first reported the appeal to the Full-Time or Adjunct Faculty member. If the Full-Time or Adjunct Faculty member is unavailable or fails to timely resolve the appeal, the appeal will progress to the Department/Division level.

A record of the resolution or reasons for non-resolution will be documented by the Full-Time or Adjunct Faculty Member.

### **20.7.5.2 Department/Division Level**

If the Full-Time or Adjunct Faculty member or representative faculty member has not resolved the appeal within ten (10) business days, or if the student believes the Full-Time or Adjunct Faculty member or representative faculty member has reached an erroneous resolution, the student may within ten (10) business days forward the written appeal to the Faculty Chair.

The Faculty Chair shall investigate the appeal and inform the student of the resolution no later than ten (10) business days from the date the student reported the appeal to the Faculty Chair. The Decision of the Faculty Chair is final and binding.

Once a resolution has been made at any level of the process, it is considered final and will be documented as such. The request for the initiated grade appeal cannot be reopened.

## **20.7.6 Final Grade Appeal Process**

### **20.7.6.1 Faculty Level**

A student who wants to appeal a final grade shall first attempt to resolve the issue with the Full-Time or Adjunct Faculty member involved. The student shall initiate the process by submitting to the Full-Time or Adjunct Faculty member a written grade appeal explaining why they feel there is an issue with the final grade. Upon receipt of the intake form, the Full-Time or Adjunct Faculty member shall contact the student to make arrangements for discussing the appeal. Communication may occur in person, by phone, by mail or by online means. The Full-Time or Adjunct Faculty member and student shall make reasonable efforts to conduct the meeting within fifteen (15) business days from the submission of the written grade appeal.

When discussing concerns or complaints with an instructor it is most effective to arrange a time when the instructor is available for a confidential conversation. The Full-Time or Adjunct Faculty member shall attempt to investigate and resolve the issue and inform the student of the resolution no later than ten (10) business days from the date of the meeting between the student and Full-Time or Adjunct Faculty member. If the Full-Time or Adjunct Faculty member is unavailable or fails to

timely resolve the appeal, the appeal will progress to the Department/Division level. A record of the resolution or reasons for non- resolution will be documented by the Full-Time or Adjunct Faculty member.

### **20.7.6.2 Department or Division Level**

If, after ten (10) business days, the appeal remains unresolved; the Full-Time or Adjunct Faculty member has been unable to meet with the student; or the student believes that the Full-Time or Adjunct Faculty member has reached an erroneous resolution, the student may, within ten (10) business days, forward the written appeal to the Department or Division Chair.

Upon receipt of the written appeal, the Faculty Chair will meet with the parties to attempt to resolve the appeal. The Full-Time or Adjunct Faculty member may ask that the College Faculty Senate President, or designee, attend any meetings to advise on concerns of policy. The student shall have the right to be assisted by any member of the college community they choose. A student who elects to be assisted by a member of the college community must notify the departmental supervisor and Faculty Chair of the name and contact information of the college community member not less than two (2) business days before the scheduled meeting. The college community member may not be serving in a legal capacity. The student is responsible for presenting their own information and, therefore, the college community member is not permitted to speak on behalf of or participate directly in any final grade appeal process meeting. The meeting may take place in person, by telephone, by mail or by online means. Every attempt will be made to maintain confidentiality during this process. A record of the resolution or reasons for non-resolution will be documented by the Faculty Chair on the intake form.

### **20.7.6.3 Vice President of Academic Affairs (or Designee) Level**

If the appeal is not resolved at the Department/Division level within ten (10) business days, the student may forward the written appeal to the Vice President of Academic Affairs, or designee, a copy of the written appeal with an explanation of the action taken at each prior level. The Vice President of Academic Affairs, or designee, will meet with the student, Full-Time or Adjunct Faculty member, the College Faculty Senate President (if requested by the Full-Time or Adjunct Faculty member), the student member of the college community (if requested by the student), and the Faculty Chair to attempt to resolve the matter. The Vice President of Academic Affairs, or designee, shall issue a written decision regarding the outcome of the appeal no later than ten (10) business days following the date of the meeting. Except as outlined below (extraordinary circumstances), this is the final level of review for appeals regarding grades. A record of the resolution will be

documented by the Vice President of Academic Affairs, or designee, on the intake form.

### **20.7.7 Extraordinary Circumstances**

In extraordinary circumstances and where the Vice President of Academic Affairs deems it necessary in the interest of fairness, the Vice President of Academic Affairs may convene a committee to resolve the appeal. To minimize conflicts of interest, the committee shall be composed of neutral parties including:

- At least one Full-Time Faculty member from the academic discipline from which the appeal rises;
- One Faculty Senate Member as Designated by the College Faculty Senate President;
- The Faculty Chair;
- The Dean of Instruction or appropriate College/center administrative officer; and
- A student from the student government or similar representative body.

The committee will issue a written determination, which decision shall be final and binding as to appeals regarding grades.

Examples of extraordinary circumstances may include, but are not be limited to the following:

- The faculty member is no longer employed within the district;
- The faculty member deviated substantially from the course syllabus or any communicated changes in the course syllabus;
- Other review process of the faculty revealed inconsistencies in grading/assessment practices or unprofessional behavior;

Within 30 business days of seating the committee a resolution must be reached and documented. This is the final level of appeal for grades reviewed under this process.

## **20.8 Other Conflict Between Student and Faculty Member**

When there is a complaint by a student against a Full-Time or Adjunct Faculty member, the proper District or College authority will work in confidence with the parties to resolve the conflict. A Full-Time or Adjunct Faculty member will not be required to respond to any complaint that is not in writing over a complainant's signature or to complaints that do not have specific documentation of incidents such as dates, times, etc. This complaint must be made available to the Full-Time or Adjunct Faculty member involved.

A student who feels that they have been treated unfairly or unjustly by a Full-Time or Adjunct Faculty member with regard to an academic process such as grading, testing, or assignments, shall discuss the issue first with the faculty member involved. This conference shall be requested by the student within fifteen (15) business days from the time the student knew or reasonably should have known about the unfair or unjust treatment. This instructional grievance process shall not be utilized in a case in which a student feels they have experienced discrimination. If the student feels that they have experienced discrimination on the basis of race, color, religion, national origin, gender, age, disability, veteran status, or sexual orientation, the student shall refer to the Discrimination Complaint Procedures for Students as administered by the Vice President for Student Affairs.

If, within ten (10) business days of the request for the conference with the Full-Time or Adjunct Faculty member, the problem is not resolved or the faculty member has been unable to meet with the student, the student may continue the process by filing a written complaint with the Faculty Chair and appropriate administrative office at the College. This written complaint must be filed within ten (10) business days following the previous deadline. The written complaint will be given to the Full-Time or Adjunct Faculty member five (5) days before any official meetings are convened.

Upon receipt of a written complaint, the Faculty Chair or appropriate college administrative officer will work with the parties in an attempt to resolve the conflict. The Full-Time or Adjunct Faculty member may ask that the Faculty Senate President be in attendance. Every attempt will be made to maintain confidentiality during this process.

A Full-Time or Adjunct Faculty member will not be required to respond to a complaint that is not in writing and that, when appropriate, did not have the specific documentation including dates, times, materials, etc. The written complaint will be made available to the Full-Time or Adjunct Faculty member.

If the complaint is not resolved at this level within ten (10) business days, the student should forward, to the Vice President of Academic Affairs or appropriate College administrative office, a copy of the original written complaint with an explanation regarding action taken at each prior level. The Vice President of Academic Affairs or appropriate College administrative officer will meet with the student, faculty member, the Faculty Chair, and the Faculty Senate President (the latter upon request of the Full-Time or Adjunct Faculty member), and attempt to resolve the issues. This level will be the final step in any complaint process regarding grades.

If the complaint, other than those concerning grades, is not resolved by the Vice President of Academic Affairs or the appropriate College administrative officer, it may be forwarded in writing by the student to the College President for final resolution. The College President, or designee, will expedite a timely examination of the issues and will issue a final written determination in the complaint process.

## 20.9 Internal Investigations

Internal investigations will be conducted only by agents granted investigative authority pursuant to MCCCDC policies and procedures or by an administratively authorized assignment or contract. To the extent allowed by law, a Full-Time Faculty member against whom a complaint is filed will be provided with:

- A written copy of the complaint, if and when MCCCDC procedure requires, or if a preliminary review or investigation indicates that a response from the accused Full-Time Faculty member must be requested to complete the investigation and/or to comply with MCCCDC policies and procedures; and
- A written copy of the investigator's final determination or recommendations at the conclusion of the investigation.

A Full-Time Faculty member may submit a written response to the allegations at any time during the investigation, as well as a written rebuttal after the investigator's final determination or recommendations have been issued. The complaint and all written statements, responses, and rebuttals will be appended to the investigator's official final determination or recommendations.

A Full-Time Faculty member who is required to appear or respond to a matter related to an internal investigation has a right to representation and counsel as stipulated in Article 20.2. In no case shall a Full-Time Faculty member be required to appear or respond prior to receiving a written copy of the complaint. Retaliation or retribution by a Full-Time Faculty member against any person who files a complaint may result in disciplinary action up to and including termination. Similarly, if the investigator determines that the complaint is materially false and that it was made in bad faith, the complaining party may be subject to disciplinary action up to and including termination or expulsion.

# **ARTICLE 21 PROGRESSIVE DISCIPLINE**

This Article addresses the mechanisms available to address problematic workplace conduct and complaints of misconduct made against Full-Time Faculty members. It describes the tools available to address such conduct and the procedures to be used to investigate and resolve allegations of wrongdoing. Conduct issues will be approached through a lens of problem solving and will involve peer review where professional judgment is necessary to evaluate and address the conduct at issue and in all cases where disciplinary sanctions are imposed.

Anonymous complaints may be submitted to the Office of Public Stewardship or to the Maricopa Concernline. Please see MCCCCD Ombuds Services for more information.

## **21.1 Just Cause and Fair Resolution**

Corrective actions and disciplinary sanctions may be taken only for just cause, and only when the following criteria have been satisfied:

- The Full-Time Faculty member knew or reasonably should have known that their conduct could lead to corrective action;
- The corrective action is the result of job performance; violation of established MCCCCD, College, Department/Division policy or procedure; or violation of law;
- To the extent there is any dispute regarding material facts, a fair and objective investigation was conducted in accordance with MCCCCD policy and the law;
- The job performance and/or violation of policy, procedure, or law is established by a preponderance of the evidence; and
- The corrective action taken was consistent with corrective action for similar or comparable conduct or was otherwise reasonable under the circumstances.

## **21.2 Progressive Problem Solving**

Complaints and concerns regarding Full-Time Faculty members' conduct will be addressed through a progressive approach to problem solving. A progressive approach to problem solving uses graduated steps for dealing with problematic conduct and all issues that arise within the academic workforce. This process:

- Provides a consistent, objective, and fair process for assessing, addressing, and improving employee performance.
- Promotes open communication between a Supervisor and the Full-Time Faculty member.
- Increases employee retention by resolving issues and promoting fairness and transparency.
- Provides important documentation should corrective action become necessary.

## **21.2.1 Peer Review**

Where a Full-Time Faculty member is accused of professional misconduct, Full-Time Faculty peers should be consulted regarding applicable professional standards and appropriate conduct, including the standards found in the Code of Conduct in Article 5.1. Peer review is not required when the exercise of professional judgment is not implicated in the Full-Time Faculty member's conduct, such as failure by a Full-Time Faculty member to fulfill regulatory compliance or procedural expectations. Involvement of faculty peers is always required for any corrective action or disciplinary sanction and should be used in appropriate cases at the counseling and warning stages of progressive problem solving.

## **21.2.2 Steps of Progressive Problem Solving**

The steps used in the progressive approach to problem solving are listed below. While it is expected that these steps typically will be followed in order, the severity of the conduct at issue may necessitate that advanced steps be taken immediately.

### **21.2.2.1 Step 1: Verbal Counseling**

When an initial issue is minor, an informal verbal discussion characterized as "counseling" is appropriate. The Full-Time Faculty member's Supervisor should inform the employee of the performance or conduct concern prior to meeting. This type of meeting will include advising the employee both of the expected conduct and that future infractions may result in more severe corrective action or disciplinary sanction. Counseling sessions are different from verbal warnings because counseling sessions are used as a pre-emptive measure before the problem becomes too serious. The goal of this type of exchange is candid and collaborative discussion to resolve an issue at the lowest level.

### **21.2.2.2 Step 2: Verbal Warning**

A verbal warning may be appropriate for a more serious offense or where counseling was unsuccessful in resolving the concern. When issuing a verbal warning, the Supervisor will clearly advise the Full-Time Faculty member as to what is needed to remedy the conduct or performance concern and advise the employee that more severe corrective action will follow if the infraction is repeated. A reasonable, jointly agreed upon timeline regarding the required changes for the Full-Time Faculty member's conduct will be defined and serve as the measurement for success in the use of this step.

Note: The Supervisor will document the Counseling and Verbal Warning Steps in the event that an additional step(s) within the progressive approach to problem solving is needed if the problem continues. The Full-Time Faculty member will be

required to acknowledge in writing that these Steps were taken. They will not be required to agree with the substance of the documentation.

### **21.2.2.3 Step 3: Written Warning**

The next step in the progressive approach to problem solving is the Written Warning. A written warning usually follows an unsuccessful verbal warning but can also be appropriate for more serious issues. This document will clearly state the infraction and the consequences for a repeat offense. The written warning will be addressed to the Full-Time Faculty member. A copy will be placed in the employee's local/College personnel file. The Full-Time Faculty member will be notified of the opportunity to bring a Full-Time Faculty peer representative with them to the written warning meeting and will be notified during the meeting of the opportunity to provide a written response within ten (10) business days. The Full-Time Faculty member will be asked to sign the Written Warning document to verify that they had been notified of the opportunity to bring a peer representative and had been given a copy of the written warning.

#### **21.2.2.3.1 Second Written Warning**

The Supervisor may wish to include a second written warning as part of the problem-solving approach, or the Supervisor may move directly from the first written warning to the next step depending upon the severity of the conduct problem.

## **21.3 Corrective Actions / Disciplinary Sanctions Resulting from an Unsuccessful Outcome of the Progressive Approach to Problem Solving**

Serious misconduct will be dealt with swiftly and appropriately. It is expected that in addressing most Full-Time Faculty conduct problems a commensurate consequence will not rise to suspension or termination of the Full-Time Faculty member. Depending on the nature or repetition of the offense, one or more of the following corrective actions may be appropriate:

- Modified teaching assignments and/or professional responsibilities
- Class monitoring
- Mandatory counseling
- Public censure
- Financial restitution
- Temporary withholding of compensation increases

If none of these corrective actions is sufficient, then one or more of the following disciplinary sanctions may be additionally appropriate:

- Actions on salary, including one-time salary reductions
- Demotion or removal from a faculty leadership position
- Suspension (with or without pay)
- Dismissal

Imposition of such disciplinary sanctions is addressed in Article 21.5.

### **21.3.1 Administrative Leave of Absence**

The Chief Human Resources Officer may, if it is appropriate, place a Full-Time Faculty member on paid administrative leave of absence at any point during the progressive problem solving or corrective action / disciplinary sanction process. At the option of the Full-Time Faculty member, the Faculty Association President will be advised of this action. Administrative Leaves of Absence will not exceed thirty (30) business days. An exception may be granted due to extenuating circumstances.

Pay during this period will be based on the same consideration as in Article 21.5.

If a Full-Time Faculty member is charged with a criminal offense that would be cause for dismissal, the Chancellor or designee may immediately place the Full-Time Faculty member on compulsory administrative leave lasting no longer than ten (10) business days after the date of entry of judgment in the criminal proceedings.

Pay during this period will be based on the same consideration as in Article 21.5.

## **21.4 Exceptions to Progressive Problem Solving**

Severe conduct issues, such as demonstrated incompetence or dishonesty in teaching and scholarly activities, substantial and manifest neglect of duty, and personal conduct that substantially impairs the individual's fulfillment of institutional responsibilities, may be addressed by suspension or termination without following prior steps of progressive problem solving.

In addition, the progressive approach to problem solving is not applied in situations where there is an alleged violation of law, including:

- Claims that involve accusations of harassment, or violations of the Americans with Disability Act (ADA) or other EEO issues, should be reported to the Office of Equal Employment Opportunity. See Administrative Regulation 5: Non-Discrimination for more information.
- Title IX claims shall be reported to the Vice President of Student Affairs and to the District Director of HR Solutions Center. See Administrative Regulation 5: Non-Discrimination

for more information.

- Alleged violations of law, mismanagement, gross waste of monies or abuse of authority refer to Administrative Regulation 6.20: Whistleblower Protection.
- Allegations regarding perceived impairment of a Full-Time Faculty member that is manifesting in the workplace, should be reported to District Human Resources.
- Allegations of criminal conduct or perceived violations of workplace violence should be reported to Public Safety Department. See Administrative Regulation 6.21: Workplace Violence Prevention for more information.

### **21.4.1 Student Complaints**

When there is a complaint by a student against a Full-Time or Adjunct Faculty member, the proper District or College authority will work in confidence with the parties to resolve the conflict. A Full-Time or Adjunct Faculty member will not be required to respond to any complaint that is not in writing with the student's signature or to complaints that do not have specific documentation of incidents such as dates, times, etc. The complaint must be made available to the Full-Time or Adjunct Faculty member involved.

Student complaints will follow the complaint process outlined under Administrative Regulations S-6 Instructional Grievance Process.

## **21.5 Disciplinary Sanctions**

### **21.5.1 Full-Time Faculty Demotion/Suspension/Salary Action**

Upon a written statement of charges formulated by the Chief Human Resources Officer (CHRO) against a Full-Time Faculty member, the Chancellor will convene the Administrative Evaluation process (Article 20.6). Subsequently, the Chancellor, or their designee, may immediately demote, suspend, or take salary action concerning the Full-Time Faculty member's performance. A suspension may be up to one (1) academic semester (not including summer). If a suspension is to be extended, it must follow the process outlined in Article 21.4, as appropriate. At the option of the Full-Time Faculty member, the Faculty Association President will be notified of this action.

The notice of suspension shall be in writing and be served upon the Full-Time Faculty member, personally or sent via E-mail and U.S. mail, addressed to the Full-Time Faculty member at their place of residence as recorded in the MCCCCD records.

Any Full-Time Faculty member who has been suspended pursuant to this section will normally be paid their regular salary during the period of suspension. A suspension without pay will occur only upon advice of General Counsel. If payment is to be withheld, the Chief Human Resources Officer will first advise the Full-Time Faculty member. The Full-Time Faculty member may include the Faculty Association President in this process and review.

## **21.5.2 Full-Time Faculty Member Dismissal**

Serious Full-Time Faculty conduct problems that are deemed to warrant a course of action that is more severe than those included in the progressive approach to problem solving may be considered for dismissal. A Full-Time Faculty member who is recommended, by the College President, through the Chief Human Resources Officer, for dismissal shall have access to the following due- process procedures.

### **21.5.2.1 Statement of Charges**

A written statement of charges, formulated by the College President, shall be forwarded to the Chief Human Resources Officer. The College President will send a request to the Chief Human Resources Officer to proceed with dismissal. After review of the charges, the Chief Human Resources Officer, in consultation with the Office of General Counsel, the Chief Human Resources Officer (or designee) shall develop a written notice of intent to dismiss that includes a statement of charges recommending to the Chancellor that there exists prima facie cause for the dismissal of a faculty member.

The statement of charges shall state, if applicable, the statutes and established MCCCDC policies or rules that the Full-Time Faculty member is alleged to have violated. The statement of charges shall be of such specificity that the Full-time Faculty member will be able to prepare a defense based on the statement identifying the just cause for this type of action.

The Chief Human Resources Officer shall provide a written copy of the Notice of Intent to dismiss to both the Chancellor and the faculty member, with a copy of the notice recommendation being sent via E-mail and U.S. mail to the Full-Time Faculty member at their place of residence as recorded in the MCCCDC records. The Chief Human Resources Officer's recommendation will give notice to the Chancellor and the Full-Time Faculty member of the intention to formally recommend dismissal, which shall not be sooner than thirty (30) days from the date of the letter, nor later than the end of the current academic year. The Full-Time Faculty member shall have five (5) business days from the date of the E-mail or the date of the postmark of the notice (whichever is later) to respond to the notice. Any response shall be E-mailed to the Chief Human Resources Officer.

Provided the Notice of Intent is delivered to a Full-Time Faculty member during a day of accountability, the dismissal process can continue over periods of non-accountability. Any party can request an extension of a deadline for good cause. Extensions will not be unreasonably denied.

The Chief Human Resources Officer will review any submitted response within ten (10) business days.

If, after reviewing the response, The Chief Human Resources Officer in consultation with the Office of General Counsel, determines that there is just cause for dismissal, the Chief Human Resources Officer will send a letter of dismissal to the faculty member via E-Mail and U.S. mail at their place of residence as recorded in the MCCCCD records, or by any other means reasonably calculated to provide notice.

The dismissal will be effective ten (10) business days from the date of the letter of dismissal, unless the faculty member files a timely request for hearing.

### **21.5.2.2 Hearing**

The Full-Time Faculty member shall have the right to a Hearing. A request for a Hearing must be filed with the Chief Human Resources Officer within five (5) business days from the date of the letter of dismissal. The filing of a timely request will delay the dismissal procedure, pending the completion of the hearing.

Upon request by a Full-Time Faculty member, a Hearing Committee shall be constituted within five (5) business days and shall be composed of three (3) Appointive Residential Faculty members in active paid status: one (1) appointed by the Chief Human Resources Officer, one (1) selected by the Faculty Association President, and one (1) selected by the Full-Time Faculty member. The committee member selected by the Chief Human Resources Officer and the Faculty Association President will be from Colleges other than the College where the Full-Time Faculty member recommended for dismissal is assigned. Prior to submitting the name of the committee member selected by the Full-Time Faculty member to the Faculty Association President, the Full-Time Faculty member will ensure that the recommended committee member is available and eligible to serve. The committee shall be considered constituted when the Hearing Committee and the Full-Time Faculty member have been informed by the Faculty Association President of the committee's formation.

The Hearing Committee shall select a Chair. Unless the parties stipulate to extend the time beyond that which is set forth below, the Chair shall conduct a meeting with the attorney representing the MCCCCD and the Full-Time Faculty member and/or their attorney/representative no later than twenty (20) business days after the formation of the committee for the purpose of exchanging exhibits, witness lists, and summaries of witness testimony. The Chair may choose to deny admission of an exhibit(s) or witness testimony for failure to comply with this section.

Unless the parties otherwise agree, the Hearing Committee shall conduct the hearing no later than ten (10) business days after the exchange of information detailed in the preceding paragraph. Prior to the hearing, the Full-Time Faculty

member must declare, in writing, whether they wish the hearing to be public or in executive session. The faculty member may attend the hearing; present any testimony, evidence, or statements, oral or written, in their behalf; and be represented by legal counsel or other representative. It is expressly understood the act of testifying will not be subject to reprisal by the MCCCCD.

Within five (5) business days after completion of the hearing, the Hearing Committee shall provide the Chancellor and the faculty member with a summary of the evidence that was presented during the hearing. In addition, the Hearing Committee shall render binding written findings of fact and conclusions of law and forward these along with its recommendation regarding dismissal to the Chancellor. The above deadline may be extended up to fifteen (15) business days after completion of the hearing, if the Hearing Committee requests briefs and/or recommended findings of fact and conclusions of law from the parties.

After receiving the Hearing Committee's summary of evidence, findings of fact, conclusions of law, and final recommendation in regard to dismissal, the Chancellor or Designee may meet with the Hearing Committee to clarify any questions the Chancellor may have. The Chancellor shall have ten (10) business days in which to review the recommendation regarding dismissal. The Chancellor may accept or reject the Hearing Committee's recommendation regarding dismissal or make their own recommendation and forward the recommendation along with the summary of the evidence, a copy of the findings of fact, conclusions of law, and final recommendations of the Hearing Committee to the Governing Board.

### **21.5.2.3 Governing Board Decision**

The Governing Board will meet with the Full-Time Faculty member and/or their representative and a representative of the administration to hear arguments regarding the Chancellor's and the Hearing Committee's recommendation regarding dismissal. This meeting will occur in an executive session that is noticed in advance as legally required unless the Full-Time Faculty member chooses to have this meeting in public. The parties shall have no less than twenty (20) minutes each to present their respective cases. The length of the meeting shall not exceed two (2) hours.

The Governing Board, at a public meeting, shall render a final decision for retention or dismissal of the Full-Time Faculty member. A copy of the final decision shall be sent via E-mail and U.S. mail to the Full-Time Faculty member at their place of residence as recorded in MCCCCD records. It is expressly understood that the Governing Board's decision does not diminish the Full-Time Faculty member's right to seek other legal remedies under local, state, and federal law.

# **ARTICLE 22 LEGAL RIGHTS**

## **22.1 Legal Rights**

Nothing in this Agreement shall be construed to deny or diminish any individual rights that Full-Time and Adjunct Faculty members have under the law.

MCCCD, to the extent legally permissible, indemnifies and defends All Faculty against liability for acts or omissions arising out of and in the course of their employment for MCCCD or performing duties related to the conduct of MCCCD business. The General Counsel is authorized to represent MCCCD and/or the employee and direct the defense of any claim, action, suit or proceeding on behalf of MCCCD and the Full-Time or Adjunct Faculty member for which MCCCD is indemnifying the employee pursuant to this Agreement. MCCCD retains the right to direct, settle, compromise, appeal, and otherwise defend any such claim, action, suit or proceeding, including representation and the use of counsel as MCCCD deems appropriate. In any such event all Full-Time and Adjunct Faculty members are expected to cooperate fully.

Full-Time and Adjunct Faculty members will not be represented by counsel employed or retained by MCCCD in grievance procedures, internal discrimination matters, employment dismissal, or other similar proceedings, as these are internal processes which seek to inform MCCCD, its administrators, and Governing Board members regarding the appropriateness of specific conflicts.

MCCCD does not provide representation or indemnify any Full-Time or Adjunct Faculty member with regard to criminal offenses, licensure, certification, or similar professional administrative or disciplinary actions, parking or moving vehicle violations, or fees, fines or penalties associated with such violations. MCCCD does not provide representation or indemnification for acts involving intentional misconduct, willful or knowing violation of the law, and transactions from which the individual derives an improper personal benefit. Each employee is expected to comply with federal and state laws, and local ordinances.

# **ARTICLE 23 PERSONNEL FILES AND** **REFERENCES**

## **23.1 Personnel Files**

Policy B-10 of the Maricopa County Community College District Staff Policy Manual applies to personnel files for All Faculty.

## **23.2 References**

Faculty leaders may at their discretion provide an external employer, who makes a request, information concerning a current or former employee's job duties and dates of employment. Supervisors may also provide a requesting employer information concerning a current or former employee's education, training, experience, qualifications, job performance, professional conduct, or evaluation to be used for the purpose of evaluating the individual for employment. All related practices will ensure compliance with A.R.S. § 23-1361.

# **ARTICLE 24 INTERPRETATION OF RESIDENTIAL FACULTY AGREEMENT**

## **24.1 Interpretation of Residential Faculty Agreement**

The Faculty Association President and a Vice President of Academic Affairs as identified by the College Presidents and Vice Presidents of Academic Affairs Council may contest interpretation of existing policy in writing to the Chief Human Resources Officer or designee.

The Chief Human Resources Officer, or designee, will meet to consult with the Faculty Association President, a Vice President of Academic Affairs as identified by the College Presidents and Vice Presidents of Academic Affairs Council and the Residential Faculty Administration Collaboration Team at least once every semester to discuss any contested interpretations of existing policy.

The Chief Human Resources Officer or designee may consult other parties at their discretion.

Individual concerns about misapplications of this policy will be resolved by the grievance process outlined in Article 20.

If the interpretation of the Chief Human Resources Officer or designee is agreed to by the VPAA Council and the Faculty Association, the agreement will be reduced to writing for signatures by all parties and included in the Residential Faculty Agreement following Governing Board approval.

If agreement cannot be reached, the Chief Human Resources Officer or designee, a Vice President of Academic Affairs representative, and the Faculty Association representative will each submit a position statement to the Chancellor within fourteen (14) business days. The Chancellor will review the interests of all parties and render a final decision. The Chancellor may consult with all parties, individually or collectively. The decision of the Chancellor is final.

# **ARTICLE 25 PROCESS TO REVISE THE RESIDENTIAL FACULTY AGREEMENT**

As part of the continuous improvement effort of the Faculty and Administration, the Residential Faculty Administration Collaboration Team (RFACT) will identify and refine multiple Articles in the Residential Faculty Agreement annually and will review the entire Residential Faculty Agreement every four (4) years. RFACT strives to operate with an ethos of trust and open mindedness, seeking innovative solutions that eliminate barriers to Student, Faculty, College, and District success.

## **25.1 Commitment to Collaboration and Inclusion**

The Chancellor of the Maricopa County Community College District (MCCCD) hereby retains and reserves, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon the position or vested in the position, by the laws and constitutions of the State of Arizona and the United States, and all rights and powers, to manage the MCCCD and direct the Faculty (including assignment) of the MCCCD except as otherwise provided in this Agreement.

The Chancellor shall have the right to establish such standards of professional conduct and rules and regulations that are not in conflict with this Agreement.

It is recognized by the Faculty and Administration that it is desirable, in order to establish the terms and conditions governing employment, for representatives to collaborate, in good faith, on policies affecting responsibilities and benefits pertaining to Residential Faculty employment.

For this reason, this Residential Faculty Agreement is adopted by the Governing Board of MCCCD and the Faculty Association, which are the nonexclusive representatives of the MCCCD Residential Faculty, respectively. It is understood that this Agreement is applicable to Residential Faculty who are not members of the Faculty Association.

No party to this Agreement may discriminate against any faculty member because of their membership status in the Faculty Association, or any other recognized organization.

Upon a written request, the Chancellor, through the office of the appropriate Vice Chancellor/Senior Executive, agrees to provide to the representatives of the faculty information that is relevant for RFACT and/or the implementation of the Residential Faculty Agreement. It is understood that the Chancellor will make a good-faith effort to honor Faculty requests for information.

## **25.2 Residential Faculty Administration Collaboration Team Composition**

The Residential Faculty Administration Collaboration Team consists of eight (8) members including:

- Four (4) Residential Faculty representatives selected by the Faculty Association
- Four (4) Administration representatives selected by the Chancellor

In its work, RFACT is charged with considering the interests of all Residential Faculty and the Administration.

## **25.3 RFACT Ground Rules**

During the first formal RFACT meeting of the academic year, the RFACT will re-establish consensus on ground rules that will govern the collaborative problem-solving process.

## **25.4 Identification of Problems to be Solved**

Before the first formal RFACT meeting of the academic year, the RFACT will solicit the Faculty Association, and the Senior Councils for any sections in the Residential Faculty Agreement that the RFACT should consider, including in its annual work plan. The Senior Councils may also submit a problem to the RFACT for consideration at any time during the year. The constituent groups and councils will clearly articulate the problem and their interests as related to the problem.

At the first formal RFACT meeting, the RFACT will vet the list of problems to be considered and will develop a shortlist of articulated problems to consider. The RFACT will then share the articulated problems as appropriate with the Senior Councils and ask the councils to weigh in with their interests as related to the problems. In consideration of the input from the Senior Councils, the RFACT will prioritize the problems and determine which problems, and the associated articles, to address in a given year. The RFACT will then communicate the annual work plan to the Residential Faculty, Administration, and to the Chancellor to share with the Governing Board.

In developing its annual work plan, the RFACT will also include one or more articles not yet reviewed during the most recent four-year period to ensure the entire Residential Faculty Agreement is reviewed during each four-year cycle.

## **25.5 RFACT Problem Solving Process**

The RFACT uses interest-based problem solving to develop solutions to priority problems. This process includes the following steps:

- Articulate the problem to be solved;
- Identify the various interests of constituents related to the problem;

- Brainstorm options to address the problem;
- Evaluate the options in light of the interests, objective criteria, and constitution feedback;
- Craft a preferred solution from the options;
- Draft Residential Faculty Agreement language codifying the preferred solution;
- Monitor implementation to determine effectiveness of the solution; and
- Refine the solution in light of feedback, as needed.

## **25.6 RFACT Decision Making Process**

The members of the RFACT are committed to finding solutions to problems. After consulting their constituent groups, each member shall collaborate in good faith with other RFACT members to reach agreement on preferred solutions. Any member who cannot support any of the options being considered by the team will articulate the interest(s) not being met and will endeavor to bring forward additional options which address the unmet interest as well as the other interests identified by the team. Through this iterative process, the team makes decisions based on consensus.

In the rare event that the team is unable to reach consensus on a solution, the members of RFACT will again invite the Presidents' Council, Faculty Executive Council, and the Senior Councils to propose potential solutions addressing the interests for consideration of the RFACT. If the RFACT is unable to reach consensus on any of the options identified by the councils, the issue shall be resolved by one of the following:

- If the issue under consideration does not require immediate resolution, the issue will be tabled until the next academic year and Colleges will be encouraged to submit an application for variance to the Residential Faculty Agreement to pilot one or more of the proposed solutions;
- If the issue under consideration requires immediate resolution, the Provost under the direction of the Chancellor may initiate the Memorandum of Understanding (MOU) process;
- If the issue under consideration requires timely resolution and has previously been addressed through the MOU process, the RFACT will engage in mediation with an external mediator during the given academic year to come to consensus on a resolution of the issue;
- If the issue under consideration has been addressed through the MOU process and mediation and is still unresolved, the RFACT will engage in arbitration with an external arbitrator.

Once the RFACT has finalized all recommended changes to the Residential Faculty Agreement, it will submit all recommended changes to the Chancellor for review. All recommended changes for the document will be provided to all Residential Faculty for review as many times as needed prior to being submitted to the Chancellor to ensure constituent support, and recommendations for edits

and/or changes will be returned to the RFACT for final determination. Once approved, the Chancellor will forward the recommended changes to the Residential Faculty Agreement to the Governing Board for final approval. The Governing Board will also be informed of any issues where consensus was not initially reached and an alternative option for resolution was employed.

## **25.7 RFACT Task Forces**

The Residential Faculty Administration Collaboration Team (RFACT) may establish task forces from time to time to assist the team in its work. The composition, charge, and duration of each task force will be determined by the RFACT. Typically, task forces will include representatives from Residential Faculty and Administration who are familiar with the issue assigned to the task force, though the Faculty Association and Administration will be permitted to weigh in on the selection of task force members. The RFACT will provide each task force with a statement of the problem to be solved and a list of interests that have been identified related to the problem. The task force will conduct research, identify additional interests, and brainstorm options to address the identified problem. The task force will advance a minimum of three (3) potential solutions addressing the assigned problem to RFACT for consideration; if the task force is unable to identify three potential solutions, it must explain to the RFACT the constraints that limited the options available. The RFACT may select one of these solutions or integrate or identify additional options to address the identified problem.

## **25.8 Training**

To ensure that the RFACT is effective in its problem-solving work and that the organization as a whole understands the problem-solving process used by the RFACT, the following groups will be trained in interest-based problem solving by an external consultant: RFACT, CEC, FEC, VPAA Council, VPAS Council, and VPSA Council. Furthermore, internal training will be provided during the onboarding process for every new staff at the director level and above, and every new Residential Faculty member.

## **25.9 Full and Complete Agreement**

This Residential Faculty Agreement contains the full and complete agreement reached on issues considered.

The parties further agree that all obligations and benefits herein are the result of voluntary agreement. No amendment or supplement to this policy shall be deemed effective unless agreed upon according to the provisions outlined in Article 6.

Any individual contract between administration and an individual faculty member (except in the case of certain specially funded positions) shall be subject to and consistent with the terms and conditions of this Agreement.

This Agreement shall become effective upon an approval vote of the majority of the Governing Board Members.

## **ARTICLE 26 SEVERABILITY**

### **26.1 Severability**

In the event that any provision of this policy is contrary to any Residential Faculty Agreement adopted by the District prior to the effective date of this policy acceptance, the provisions of this policy shall apply. In the event that any provisions of these policies shall be declared invalid by any court of competent jurisdiction, such decisions shall not invalidate the entire policy, it being the express intention of the parties that all other provisions not declared invalid shall remain in full force and effect.
